

other account I have already warned him. He would know that. But that is to risk.

GroupieTale

It's weird that Lisa said the other follower is Twiggy

Acco

Agree! It was not, I'm sure. Could it be your stalker girl?

GroupieTale

No, it's not my ex. She knows that's a fake X
I'm sure my ex watches my account and knows X7yZz is not me

Acco

I have almost all users checked, that follow me. :(

GroupieTale

It's frustrating, no idea who that is

Acco

Do you have a list of users that followed you lately? Only the also have an interest to continue to have contact with you.

GroupieTale

Some people sent the request to follow my account, before I deleted it. When I restore I'll look at those accounts to see if any of them

Acco

Try it. Maybe we are lucky and we find him.
Again and again it occurs to me, the wrong X could be "Front". ☺

GroupieTale

Maybe, it could be, or anyone
I've thought it could be my ex, even. Remember there's a fake me on Instagram, too. And both accounts appeared shortly after that I left

Acco

This idea is entirely justified. I have to think.
I change my name and I'll get there as followers? Then I can see.

GroupieTale

It could be good idea to try

Acco

OK, than I do it. ☺

GroupieTale

Let's see what happens

Acco

It is done. ☺
Have a nice day, dear X. Now I will go - it is time for me. We see us later. ☺ Bye!

Februar 24 2014

GroupieTale

Thank you very much, have a beautiful time with your husband!

Acco

You are very nice, thank you! ♥ This is my new name: twitter.com/Y77Sun.
I want to ask you: Do you know the user id of your ex? Do you have this ID compared with the user ID of the false Mr.X?
Now he has again two follower. I have not been accepted so far.

GroupieTale

I know the ID of my ex, yes, but the account of the fake X is new account, it could be her anyway
Lisa is following the fake X again

Acco

I saw that with Lisa, I checked today all users who follow me. Yesterday I checked all I follow. Unfortunately I could not check all. The account of 6 or 7 users is protected.
Lisa has asked X to follow. So far, stands out the answer, as well as me.
Good night, dear friend, now I go. Have a nice new week! ♥ Hani

Hi Hani, thank you very much!

Dear friend, I believe, I saw the youtube-link long time ago at your tweet. I think you knew about these activities for a long time. Right?

In my country that youtube videos are blocked. :(
Then your name was on Twitter (Sirius) not a coincidence! ☺

"Sirius" was no accident, as well as Not Here / UhmJustHere was no accident. Many small pieces of the puzzle at the end produce an image. ☺

Februar 25 2014

Acco

An evil witch has driven me today her broom in the spine. This is very bad, I can not take painkillers. Because of Xarelto. :(

Hi, dear X, Today I checked the names of the users which follows Lisa again. You're right, it follows X. I asked for the names of the other followers but I'm afraid she is'n't cooperative.

Did I upset you? I hope not., I share with you my thoughts, they may be right or wrong. I trust you, I know it's an advance. I do not know you really., And you do not me. Yet what helps us constantly mistrust? I'll submit my hand and if you like, take my hand, I give it to you with all my heart. you know I would never publish something that you do not want and I will not speak in all things. I do not need money, I do not need any recognition or publicity. My life is lived and I am satisfied with what I have. Can you understand that?

Februar 26 2014

GroupieTale

Hi, no, it's all ok, I'm not upset. I'm sorry you've been in pain, I hope you feel better

<http://vallieegirl67.com/2014/02/25/choreographer-inspired-by-michael-jackson-and-sony-xperia-z2/>

<https://twitter.com/ElkeHassell/status/438116277672890369> ... -- Exactly, that was the message. You can see it in the previous link I sent you

Acco

I'm doing better and if I'm careful when bending over, hopefully it will stay that way. ☺ Thanks for your answer!

Yes, I see clear evidence of MJ in this video. It is a omage at him. You know, we're looking for a story. We are looking for an answer to the question, whether there is a story. Is there a positive end? Is the hope gone? These are the questions that accompany us for over 4 years and you know all that. ☺ I have decided not to work with the others. There was too much hassle, egotism and many I missed the disinterestedness. They were not fans, they were and are businessmen and very dangerous.

I have a question of you. Do you have a screenshot of your old account X7yZz? Unfortunately I failed to take a screenshot of this.

GroupieTale

Hi, I have some screenshots, what is that do you need exactly?

Acco

I wish I had a screenshot of your account X7YzZ from the month of Oktober 2014ober or before 2013. Is that possible?

I wont show you that pic. Do you know Tanja/Honytania? She meet Ed Winter last year.

Februar 26 2014

GroupieTale

Nice picture, I've looked at all of my screenshots and I don't have what you need, 1 month ago when I left, I deleted many screenshots But still I'll see if I can find something I've found only the ones that you see on twitpic from 115 days ago

I'll see if I can find other Is there anything specific that you need to see in there? Maybe I can find something easier if I know what you want to see

Februar 27 2014

Acco

For me was important your slogan in this profile. You called yourself "Sirius" in it and I took this name as a reason to call me Procyon. ☺

Dear friend, the 2. follower of falsche X is <https://twitter.com/rubyprincess3>

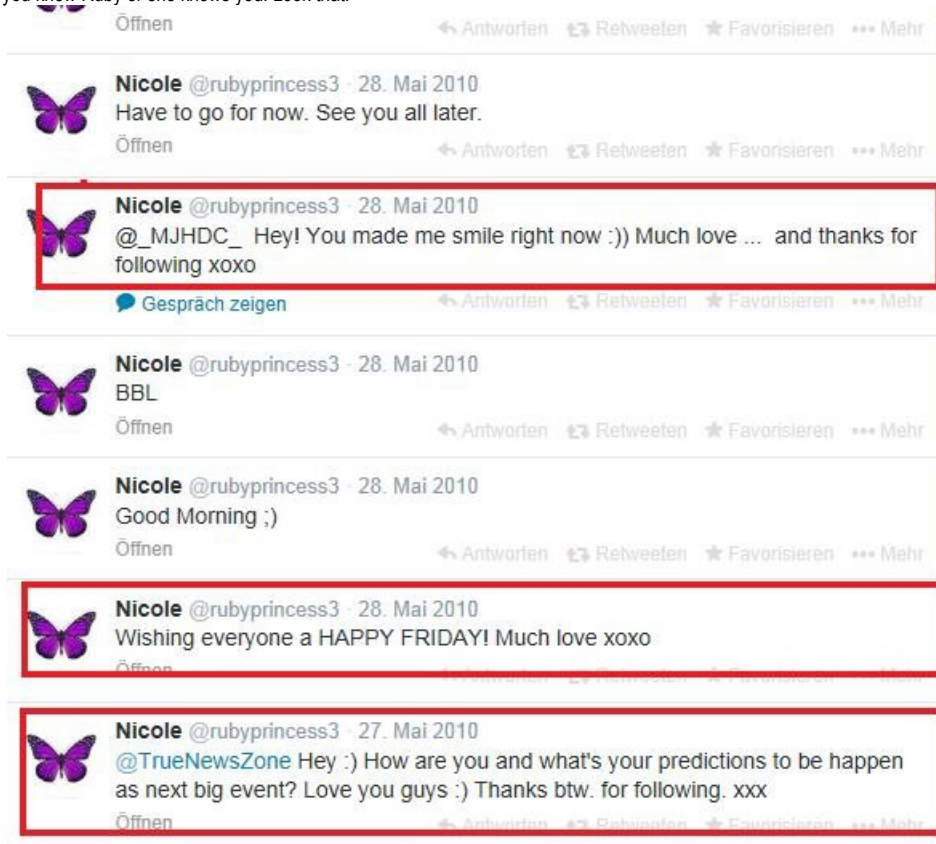

GroupieTale

In a couple of screenshots on twitpic, there's the profile with "Sirius" in it
I can't open the link you sent, my connection isn't very ok at the moment, I'll open it when it's fixed
Thank you for letting me know. I never talked to Ruby, I'm not sure if she was my follower

Acco

I send you the link with space. I'm not sure, an user wrote to me - when in a DM @name is mentioned, the user can see these DM too

Dear X it seems, that you know Ruby or she knows you! Look that!

It could be a cliché also. ☺

GroupieTale

I can't open the last 2 pics that you sent, ldk why
"XOXO" means "kisses and hugs"

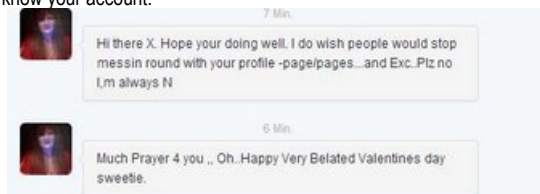

Februar 28 2014

Acco

Yes, I read all her twitts, later she do'nt use that. It was a cliché.
Have a wonderful day with your family, dear X. My best wishes to you
I send you a pic with Tanja and a pic of tweets Ruby, not more! ??? All you have seen.

Thank you very much, enjoy your weekend! And yes, I saw the pictures, thank you!

Dear X Lisa ask me to send that pic. She do'nt know your account:

GroupieTale

That's so sweet, it made me smile, thank you so much!

Acco

She is very nice. It is a joy for me to see that you smile. ☺

GroupieTale.

Thank you for sending <3

Acco.

It's so hard to talk to you. You are extremely there never to my thoughts that I may impart to you. Nevertheless, I want to ask you something

Dear friend, Please forgive me a question. It is formulated the thesis that there was a hostile takeover of the company by MJ. Supposedly working on a proof. Is this known to you? So far, only the legality of the questionable management by McCain / Branca. It is still debatable whether Branca was actually hired again by MJ.

I hope I offend no limit.

02 März 2014

GroupieTale

Hi, I wish I could answer that question but as you know there's a lot of controversial and contradictory information

Acco

And I'm sure you know much more than you want to say. ☺ But that's OK for me. I will not annoy you. ☺ It's really hard for me, I don't know what I may speak with thee. If I share with you my thoughts, I never get a reply from you, no comment. I want to know that so much, I'm on the right track with my thinking? You could confirm or deny but you ignore it rather. ☺ OK, I'm waiting for what you want to discuss with me. Have a great Sunday, dear X. Everything will be fine! ♥♥♥
With love and respect your Hani

März 03 2014

GroupieTale

I'm not ignoring your question, but it's something I can't answer

Acco

It's OK, dear X. I have to take it as it is. ☺ I understand you. ☺ ♥ I wish you and your family a great new week with lots of joy. Hugs!!!!
Today I opened my other account for all. So you can read if you like them. Now Lisa asks a lot about you. This was expected, after you've sent her a message about wrong X. What should I do? They know - you're somewhere, but she doesn't know your account. I didn't say anything.

März 04 2014

GroupieTale

Thank you Hani, it's ok, I understand Lisa wants to know, it's out of curiosity. Idk, you may tell her what you feel will be best

Acco

I think curiosity is not a good argument for giving information. ☺ The status, as it is now, is the best at the moment. I will do nothing to change that. Does your stalker ended his pursuit? I hope you're safe from it now. Have a nice time. My best wishes and warm hugs to you♥♥♥

GroupieTale

calm for a few days, I really hope she has stopped, already

Acco

Oh great, I want it so much for you. Probably you have enough to worry about without their attacks. Everything will be fine, you'll see! ☺ ♥

GroupieTale

Yes, enough, a lot

Acco

I need your help, what you mean with "lot"?

GroupieTale

I mean there is a lot going on, many things
Many things happening
A lot = several, many, much

Acco

Thank you, dear X. I'm trying to learn. I wish you much strength and strong nerves, so you can find everything for a good solution. Many luck!♥

GroupieTale

Thank you very much, I really need that <3

Acco

I wish I could help you more. Unfortunately, this is not possible. I can only give you the advice, look at exactly who you trust and ask yourself, what motivation could have this person. Please be careful in everything you do! You always have the reins in his hand, with your actions you choose all of the following reactions, never vice versa! It is like a chess game, you know? I'm sure you're making your game. ☺

GroupieTale

Thank you!

<https://soundcloud.com/baderahaven/michael-jackson-people-of-the-...>

Please share it <3 thank you!

Acco

My dear friend, it is a wonderful song. It touch my heart and your voice make me sad. I don't know, why. I will do what you wish. Thanks!♥♥♥
Have you ever sung "Gloucestershire" or is it a fake? Excuse me if I aks you, I'm not sure it is MJ really. [https://www.youtube.com/watch?v=Rea_m9u6Fc8 ...](https://www.youtube.com/watch?v=Rea_m9u6Fc8...)

GroupieTale

Gloucestershire is real, yes

Acco

Pearljr doubt. If you say it is, than it is so. ☺ I just believe you. ☺

GroupieTale

Thank you <3 but please listen to it, pay real attention to details, that is M.

Acco

Can I write her that? Then they will probably block me. It tolerates no opposition.

GroupieTale

You may tell her "The funny thing is that you believe some fake be Michael, and you can't recognize the real Michael"
"Days in Gloucestershire IS Michael"

Acco

Wow, than she beat me. LOL I take the risk. ☺

GroupieTale

Pearljr "believes" that Peterpanpyt's voice is Michael and she can't recognize the real Michael when she's listening to the man himself lol

Acco

So they are, who know everything better. ☺
Oh, what have I done! It's your fault! ☺ ☺ ☺

GroupieTale

Lol sorry <3

Acco

I'll survive it. ☺
She has answered me. I need to see whether they blocked me. ☺

GroupieTale

Aww joining the club? Lol we are many already lol

Acco

So we are not lonely. I have so many experiences here. ☺ Dear friend for me it is time to make dinner. I wish u a nice day without worries♥

Hi, I'm ok, thank you, I hope your traveling was good and you are fine.
No problem, this is the file that I had sent you [https://soundcloud.com/themjquotes/michael-jackson-hollywood ...](https://soundcloud.com/themjquotes/michael-jackson-hollywood...)
It's just the original demo of "Hollywood Tonight"

März 07 2014

Acco

Thanks for your answer. I'm fine, the stress is always on the trip. The fear is always on board with me. ☺ When you sang that? 2009?
My God, why they you change it? This version is not to improve!

GroupieTale

Hmm, Michael was working in Hollywood Tonight since 2006, I think, reworked in 2009, if I'm correct.
Xtarlight from the mjhideout is not me. He's the owner of that forum.

Acco

I saw, he is from Spain. Therefore, I think, he isn't you, but I'm not sure. Thanks for your answer! I think, you are correct! Who knows, if not you! ☺ ☺ ☺ My hubby and I will now go to bed. It's time. Still you have a good time! Warm hugs to you ♥ With love and respect your hani

GroupieTale

I'm not Xtarlight from that forum. I used his username because I liked it. You know I was just "X" on Twitter and when I made the Instagram account I wanted to use a name with the initial "X", but I didn't find one that I liked enough. On Twitter I used "Xavier" for a short time but I didn't like "Xavier", because it really is a name, it's too personal. "Xtarlight" is pretty, it's not so personal, it doesn't tell if that's a male or female etc just an username.

Acco

"Xavier" Yes I remember me. A little bit as "ECas".

GroupieTale

I did use "Xavier" because some people were asking my name. I said "I'm just X" and they didn't like that answer. They wanted to hear a real name. And I didn't find other, just that one.

Acco

You must not call me your name, I do not ask. You know what I suspect. I have no proof, but I'm pretty sure. ☺ For me it isn't important. ☺

GroupieTale

<http://joevogel.wordpress.com/2011/03/14/exclusive-inside-michael-jacksons-hollywood/> ... that's interesting
Thank you! Have a beautiful and peaceful night with your husband *Hugs!

Acco

What you mean? Much has changed in his songs. You are no longer authentic competition. This song in the final version does not correspond to the adjustments of MJ. For me, these changes of his works are not acceptable. Music, text and feeling go together. If you change a part that you'll make something else entirely. This can not be in your senses.

GroupieTale

Yes, personally, I do like the original demo, best. I do prefer it over the version of the album. Like the version of the album, but I really love the original demo.

Acco

Exactly! Your art may not be compliant. It is for your fans and they expect a very specific style of you. Do not try to be "modern," that does not work! The young people have long been their own idols. The you will achieve only limited. But what you have created is, for all eternity, and is also respected so.

GroupieTale

I love when the demos get "leaked", I really do. I think most of us appreciate the creative process, to get a sense of how the songs were

Acco

Your works are beautiful as that you should let it degenerate into an arbitrarily variable mass. Let them exist, as they were then prepared by you. No Beethoven, Mozart would not let mutilate his works that way!

GroupieTale

conceived. Their essence. Some songs lose their essence with the intervention of other people, you know. In the demos we can hear what or how the man wanted the songs be

Acco

by you. No Beethoven, Mozart would not let mutilate his works that way! You're right, especially when we see how beautiful they once were thought of you. The work must always be in one hand. Just then the music gets the authenticity of which was desired by the artist. No one else can make that You understand probably only half of what I want to tell you. ☺ Damn language barrier!

GroupieTale

I try to understand what you mean, I too worry sometimes, hoping you get what I'm saying <3

Acco

I think I understand you better than you understand me. But we do our best! LOL ☺ ☺ ☺

GroupieTale

Lol that's true, we do

Acco

Today I heard a train in the Russian language and I could not understand! ☺ For too long it's been since I learned it and I've never had the opportunity to apply this language. ☺ Man forgets, and the older he is, the more. ☺

GroupieTale

Yes, that's what happens if we don't practice enough

Acco

I saw today a user with the same nickname as you use it. Is it you? <http://mjhideout.com/forum/members/4-xtarlight.html> Please do not lie! If you want to say anything, then you'd better keep quiet.

Once again to Xtarlight and Spain - involuntarily I think of Pablo Turegano. Now I say good night my friend, really. ☺ Bye! ♥♥♥

GroupieTale

Yes, I understand, but Xtarlight is not related to Pablo. They are from Spain's but that's all. Good night, sweet dreams! *night

Acco

The date of birth could also be right. ☺

GroupieTale

Which? Whose?

Acco

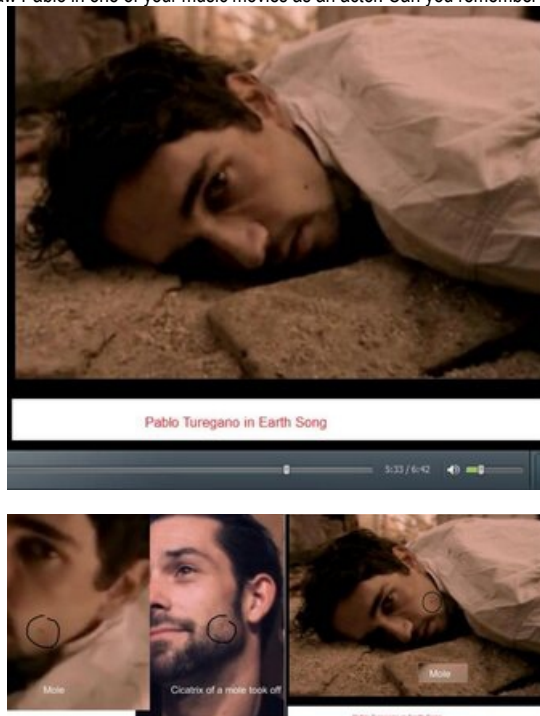

Turegano: Pablo Turégano» (el contenido era «"PABLO TURÉGANO" Nacido en Badajoz el 14 de Juli 2014o de 1972, http://es.wikipedia.org/w/index.php?title=Pablo_Tur%C3%A9gano&action=edit&redlink=1 ...

GroupieTale

I think that's right. I remember his birthday is in July, but I don't remember the year But Xtarlight isn't Pablo, Xtarlight's name is Tony

Acco

Hi dear X, yes, it could be. I was convinced I saw Pablo in one of your music movies as an actor. Can you remember?

GroupieTale

That's not Pablo. That was filmed in 1995. Pablo was too young, then.

Acco

To young with 23? Well, you know that I think. ☺

Have you been asleep? With us it is 10:36.

Have you seen that? <http://www.t TMZ.com/2014/03/07/michael-jackson-son-brandon-howard-dna-test-results-terminator-salvation/> ...

What a BS ! How long and how often they will drive a new sow through the village? That will probably never end, as long as it brings money.

GroupieTale

I'm pretty sure I read somewhere that he was born in 1977, not in 1972

The people in the video were not actors, they were residents, natives. That scene was filmed in Karlovac, Croatia.

There was 1 actor, only. And he is not the young man you show me in the picture. The actor was an older male.

And Yes, that's BS.

Acco

When Pablo was born in 1977 then he looks older than he is. ☺ I know this older man in the video was an actor. I read somewhere his name.

GroupieTale

I did read somewhere, that Pablo was born in 1977. July. So, if that's correct he's 36.

The actor was Slobodan Dimitrijević.

<http://expressionsofpassion.tumblr.com/post/78831771362/i-hate-to-even-post-this-jump-into-the-brandon-looks-like-his-dad-period>.

Acco

This is not the face of a 36 year old. <http://vimeo.com/66587820>
Thanks for the link!
Can I post this link?

GroupieTale

Of course
Even his parents say Brandon is lying
<https://twitter.com/MJJJusticePrjct/status/441699786123915264> ...

Acco

Thanks. Unfortunately, I must leave you now. I have to cook the food. See you soon! ☺ Do not forget to sleep! ♥♥♥

GroupieTale

I understand what you mean but that's a scene of a film, he's acting
I'll try to sleep, thank you! Enjoy your food!

Acco

Brandon should be ashamed. Did he need to gain attention in this way??? How deep a man would fall of its own accord! He will not recover. them in public. He has also earned his stupidity!

GroupieTale

Exactly, this will only bring him bad reputation, unkind attention
<http://www.alc-actores.com/actores/pablo-turegano/> there you can find Pablo's curriculum. "Earth song" is not listed in it.
I don't think he'd omit having worked in an MJ project. That would be a good reference.
<http://www.alc-actores.com/wp-content/uploads/2014/01/CV-Pablo-Tur%C3%A9gano.pdf>
Pablo's mother is Alicia Sanchez Araujo. She's an actress. Maybe you can find information more accurate about the year he was born in

Acco

I've seen everything you can find about Pablo. For Pearl, he was a long time MJ, unbelievable. I tried to prove them wrong. I published a picture of his house or that of the parents and it was banned on Twitter. That's why I still have these 2 Account here. ☺ Tony probably it is Toni Arias aka Xtarlight. <http://www.youtube.com/watch?v=TBozCLmUdV0> ...
He was at Orpheus theatre and I saw him at O2 Arena by the press conference.
Alicia Sanchez Araujo was born July 22 1926! She was 52 years when Paul was born? A miracle, really! ☺ ☺ ☺
Sorry, 51 years. ☺ Yet surprisingly. ☺
In all the documentation it is called as mother of Pablo. There is another woman http://www.cineol.net/gente/3194_Alicia-Sanchez She could be his mom. Pablo looks like her, or? ☺

GroupieTale

http://es.m.wikipedia.org/wiki/Alicia_S%C3%A1nchez ...
She was born in 1949
And yes, Tony Arias is Xtarlight

März 08 2014

Acco

You up in everything really well informed. I'm looking for me all together tedious. ☺ Did you sleep well? It was not very long obviously. ☺

GroupieTale

Thank you, I slept 2 hours. I hope your night and rest was good

Acco

That isn't enough, dear X. In such a short time you can draw a new power. This must necessarily be better! We worked a little in our garden. The lawn needs to be prepared for the growth in the spring. It is good if we once again trained our muscles properly. ☺
When we go to sleep at night around 24:00 clock my hubby is two hours later on again + goes into another room. He looks tv. No sleep, crazy!

GroupieTale

Great! Working on the garden is very nice activity.

Acco

It is possible again, apparently my back is OK. ☺ Maybe you know a good remedy for an impingement?

GroupieTale

You could reply at this <https://twitter.com/LoveUsev/status/441972518161612800> ... with the article you sent me, the tmz one where they discovered the tests to be fake I think you should ask your dOktober 2014or <3

Acco

I wrote that: If the DNA test is a fake for MJ he is a fake for Joe too! (with link you know)

GroupieTale

Exactly!

Acco

I just see the opening ceremony of Paryolymics - it's really poignant beautiful. I wish it is peace anywhere in the world.

GroupieTale

Yes, me too <3

Acco

I think we need again the spirituality, something that has increasingly lost in our civilized world. It involves humility before creation...
My cat is sitting next to me on the piano and constantly tries to run over my keyboard. He demolished my programs but I like him.... ☺

GroupieTale

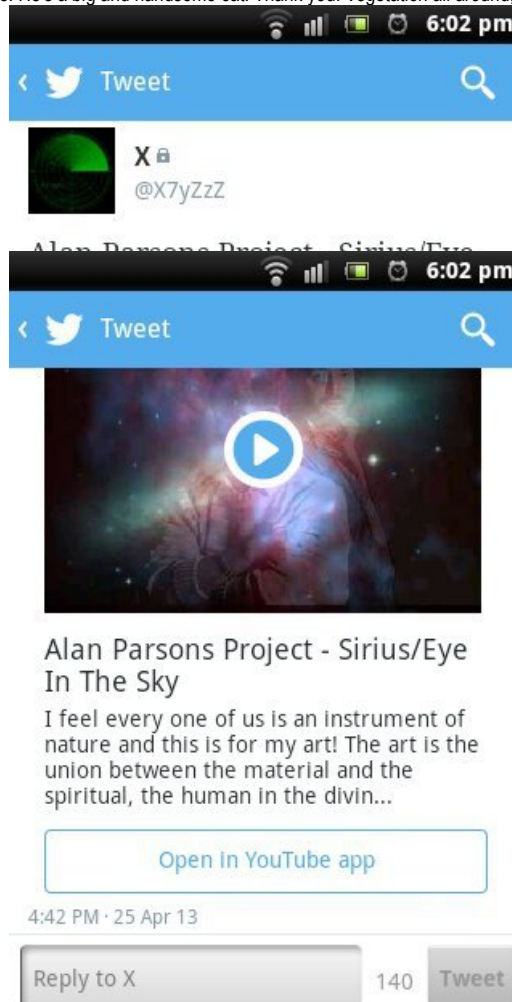

I agree with you, the world lacks of humble people, there are those arrogant people who think they own the world and do whatever they want with it. It's very nice that you have a cat with you. I read once that when cats wink at you with both of their eyes, they are blowing a kiss at you, in their own language. That's cute <3

Acco

So sweet, I am constantly kissed by my cat. ☺ It is a male cat. ☺ It is my friend. ☺ I wave to you from our terrace ☺

GroupieTale

Hey, that's a beautiful picture, your cat looks huge! He's a big and handsome cat! Thank you! Vegetation all around, very nice! And look what I found

The image shows a screenshot of a Twitter post on a mobile device. The top status bar shows the time as 6:02 pm. The tweet header is blue with a back arrow, a search icon, and the word "Tweet". The user's profile picture is a green circle, and the name is "X" with a lock icon and the handle "@X7yZzZ". The tweet content includes a video player with a play button icon over a night sky image. Below the video, the text reads "Alan Parsons Project - Sirius/Eye In The Sky" followed by a paragraph: "I feel every one of us is an instrument of nature and this is for my art! The art is the union between the material and the spiritual, the human in the divin...". At the bottom of the tweet is a button that says "Open in YouTube app". The tweet is timestamped "4:42 PM · 25 Apr 13". At the very bottom, there is a reply bar with "Reply to X", a count of "140", and a "Tweet" button.

GroupieTale

It's not a picture of the profile, I know, but that's the date from when "Sirius" appeared on the profile.

Acco

Good morning dear X. Thanks you, you do'nt forget my wish! The first pic is very similar to your slogan. ☺ Yes, my cat is huge - his wight is 7 kg. He is our boss. Does he have a request, then it makes noise. If we are not fast enough he comes and tears our books and newspapers on the bedside table. Really, he does a lot of damage. If he wants in the house, he jump on the window sill and tears the flower boxes down there. He is a Polterjockel. ☺ The bushes in front of our terrace are red hazelnut, Firethorn and broom - all for feeding the birds in winter. Right + left of the terrace, 2 old vines, they form a green roof in the summer. In winter, the blackbirds come. They love the grapes.

Now I wish u + your family a great Weekend. I hope, all is well. I send u heartfelt greetings from Germany. Warm hugs, love + respect ur Hani

GroupieTale

Hi, your cat is the boss and he knows it lol Your terrace sounds so nice, very very nice to be there! Thank you for the good wishes, the best for you and your loved ones too!

<http://themjquotes.tumblr.com/post/78890924218/well-no-shit-sherlock----look-there-s-a-link-to-the-original-article>

Acco

Thanks you very much! ♥ hy are such stories invented all the time? First of all, nothing has been proven and yet they are only distributed once as fact in the media. MJ is'nt so long since officially and still new stories are constantly being told about him. I do'nt mind it!

GroupieTale

About Sony, I think weren't great, they tried to work things out but it wasn't the same

http://articles.baltimoresun.com/1991-03-21/features/1991080202_1_michael-jackson-sony-jackson-happy

As for Orth's assertion Jackson is "finished" with Sony, this is a conclusion that could only have been drawn by columns I wrote six months ago. However, I was told yesterday by insiders that since the departure of **Tommy Mottola** from Sony, things have cooled off.

Jackson's lawyer, **John Branca**, is now in negotiations to get Jackson a new deal at Sony, at least for one new album as well as a boxed set he was preparing for the company. Even though right after Mottola left, Sony business-side people said it would never happen, it is happening.

Orth does not mention that Sony's chief, **Nobuyuki Idei**, loves Jackson and wants him to stay. Idei was planning a video game based on *Invincible* last spring when the Mottola-Jackson feud exploded into the press. Idei was so angry he engineered the end of Mottola.

Those are some things from different years, before and after those problems with Mottola

Acco

Good morning, dear X. I hope that you sleep well now. My best wishes for you and your family for this beautiful Sunday. ☺♥

I wanted to send you an answer but Twitter has problems. Therefore now this link: <http://www.pic-upload.de/view-22496743/Antw.G.jpg.html>

Dear X, I have read everything and I hope I understood it right. So I see MJ / you were a problem for Sony at this time. You were very strong in the bussiness and they saw the involvement of an enemy / competitor as the better option. Thus they had more control. This was probably their goal. Mottola at that time had the major role. I know the controversy that followed, in particular the differences with Mottola. But you see, there are different assessment of the situation after Mottola. Some say your relationship has gotten better for Sony, others write still has irreconcilable differences. All have their information from the media and which can not be trusted. Therefore, I hoped with all respect, you would express to me your own thoughts.

Acco

A wonderful new week for you and your family! ♥ I wont inform you, Dangerous_Inc have activated his account.

11. März 2014

GroupieTale

Hey, what's going on? You seem sad, are you ok? It was a long weekend for me, thank you, I hope yours was good! My own thoughts on that matter is that that's business, negotiating, I think that relationship got "better" regarding investing and promoting M.

12. März 2014

Acco

Yes, I was a little sad. It hurts when you registered, a friendship is very one-sided. But I'm realistic enough to properly classify again. I know the reasons and motivation. I'm fine again, it was just a moment of weakness. Do'nt worry! ☺♥ Thanks for your answer!

Acco

You see, these unspeakable discussion about the alleged paternity of MJ Brandon will not end. What I can do? Sure it hurts to read it all.

13. März 2014

GroupieTale

Hi, I just saw your tl. Your tweets @ pearl, I didn't want to read what she said. But you know she's been insisting, and assuring that Brandon is M's son, involving him in her hoax stuff. So now with the scandal on the news she's using it, because it can give some credibility to her old claims. Even when it's not the truth. But you know, there's someone who believe anything she says, her new followers, some new M fans who don't really know about him and believe whatever they hear etc All this is publicity, that's what it has been, everyone uses this in the way they can .Hani, I just saw there's a fake Lynn. @all4lovmj I'm going to report the account as spam right now, please report it too. I saw this fake Lynn is following MaryElizabeth73 but I think Mary don't know I'm sure Mary would expose the fake Lynn, if she hasn't said anything, it must be because she hasn't seen the account. Please help, let's see if it works, I'll report the 2 accounts, the fake X and the fake Lynn.

Acco

Dear X, I will gladly comply with your request and report the accounts as spam. But on Twitter, it is possible to use a discontinued Nick although this also on another identity is accepted. I think this practice is wrong. I have to believe that you're telling me the truth about the identity of fake X and fake Lynn. I can not check it

GroupieTale

Thank you Hani, look, this is the ID of the real Lynn. I saved her ID, I have this screenshot since 3 months ago, approximately.

Acco

My dear, this ID is change if she take a new account with the same nick and name. ☹

GroupieTale

The real Lynn has a personal Twitter account, I look at her account very often. She's looking at my account, too. I wrote on my bio asking the question, she replied, on her bio she wrote "That's not me". And this fake Lynn follows fakes, including Front.

Acco

I have no doubt, that you speak the truth to me! ☹

I know I can do my old account with nick names and only activate within 30 days. Later, the name is re-used.

GroupieTale

Yes, as you know she deleted her account in January. Someone else is using her username now, that's fine, but what's not fine is that they are using her username + her name, Lynn Jones. They are misleading people.

Acco

Right, that is not OK. Someone can slip easily into another identity, without being noticed by other users. Security risk!

GroupieTale

And as you know, there's the fake X, and now the fake Lynn. Luckily I reactivated my account on several occasions, and with my account I can prove the other X is not me. But Lynn didn't reactivate her account, it's lost forever and she can't prove this "new" Lynn is fake

Acco

In my German forum that was not possible. A nick name and could only be used once. Twitter should make improvements here.

Lynn has a new account too?

GroupieTale

No, when I said the "new" Lynn is the fake Lynn. The real Lynn does have an account, yes, but it's her personal account. She has have it for years. It's under a different name. Her account is not related to M, nor hoax things, nothing. It's for her personal activities

Acco

I mean the real Lynn. I know, the "new" Lynn is the fake Lynn. ☹ You write with the real Lynn? You do'nt follow her.. How is that possible?

GroupieTale

On my bio, I write messages and when she writes the answer on her bio I delete what I wrote. She does the same. Like 2 days ago, I did favorite one of her tweets for a few minutes, she got the notification, and then looked at my account, and then she read what I wrote on my bio, it was a message for her.

Acco

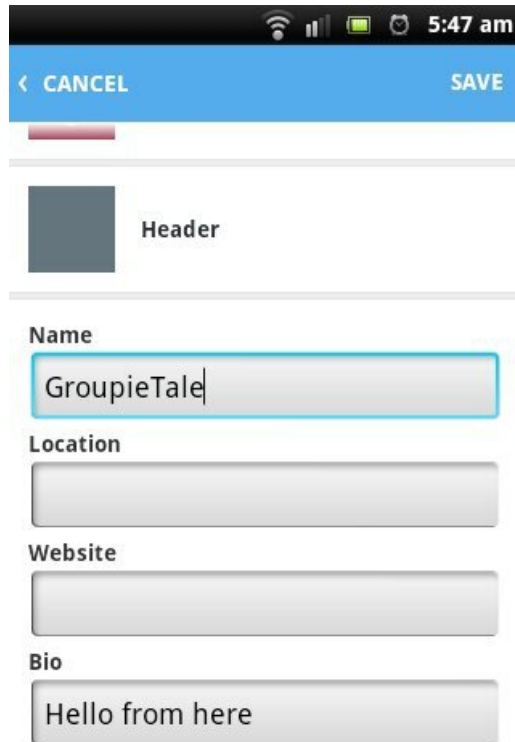

What you mean with "bio"? That I do'nt know. ./ But your account is protected and only I can see if I follow you.

GroupieTale

Look at my profile now

Now

Do you see?

Acco

Now I understand! LOL The dollar fell in many pennies, very slowly. ☺

GroupieTale

Lol it's ok

Acco

Now I have to be careful here too. LOL

GroupieTale

Lol always

Acco

@kingdom52 thanked for the info. (fake Lynn)

GroupieTale

That's very nice, thank you!

Acco

I always help very much, if I can. ☺♥

Dear X, I think you're telling me only half the truth. ☺ You say you send messages to Lynn with your bio. She must then know the name of your account and She can not know, if you have not mentioned it to her. Right? You had changed the name of the account, Lynn was at this time no longer there. How should She know the name?

Wow, you are here! I think, delete my following under this name please. I follow you under my other nick, OK?

15. März 2014

Acco

I mean X7yZzZ/followers!

What happened there, 2 Lynn? I think you will soon be overwhelmed! LOL

GroupieTale

I told you the truth, I write messages on my bio, on X7ZzZ.. Yesterday evening I called out the fake Lynn. At A few hours later the real Lynn made an account. At night the fake Lynn started tweeting. And happened what you see. But I'm not back, no, I'll protect my account later. I just wanted to prove that Lynn is fake. I'm sure now they will know she's not the real Lynn, her English is not good, at all. It's impossible not to notice. Each one of her tweets are in very very broken English. The real Lynn does speak English, she is American.

Acco

Yes dear X, I have it noticed too. It seams, she is Swedish.

Well, messages on your account X7ZzZ! Then I understand! This account she know I think. ☺ I beg your pardon please!

GroupieTale

Thank you, it's ok, don't worry.

And btw, Lynn is not my girlfriend, ok? I said Lynn is my girlfriend because I was trying to make the fake Lynn fall into her own lie.

Acco

Dear X, it is OK if Lynn is your friend. It does not concern me, it's your life, you have to explain anything to me. For me, it's nice when you've found a person who you trust - girlfriend or not. I will not say or write about it, I promise! ♥ Please do'nt fret about those stupid faker! Twitter would have to change their safety standards. That is such a thing possible, is not ok.

GroupieTale

She was my girlfriend, you know. But we broke up. And we've been apart for 2 months now. We've just exchanged these messages on the bios, because of these fake accounts. And the little talk on timeline, with the fake Lynn, yesterday. We broke up long ago, but we were in contact, very close. And 2 months ago we stopped all communication between us. We've exchanged these messages on the bios, just now, like 4 days ago. When I saw the account of the fake Lynn, and I wanted to know if was it her.

Acco

I also wanted to know who dares this insolence. It was clear, it is not the real Lynn. She has deleted all her tweets. Guilty conscience ...

GroupieTale

I have no idea who that is. I have the screenshots of all her tweets.

16. März 2014

Acco

I do'nt read it. Do you have seen important things? I wonder why so many follow, obviously because of confusion.

GroupieTale

They follow probably because they read the twitlonger and they know the name

Acco

Yes, they believe it is the real Lynn Jones. No one thinks of a fake, that's also hard to believe.

GroupieTale

That's why I decided to explain that it's just a name/pseudonym.

"Lynn" doesn't exist. My ex girlfriend and I invented "Lynn Jones" when we wrote that letter. My ex does exist but her real name isn't Lynn.

Acco

I know that. It was this letter to the Estate. At the time there was this account of her. Now the user believe all4lovmj would be the writer of the letter. You talk me long time ago that her real name is not Lynn. Now she is here again. But she is not all4lovmj. ☺

GroupieTale

Exactly

17. März 2014

GroupieTale

The fake X has 5 tweets now --

Acco

Unfortunately I can't read his tweets. I only know the way: <http://whotalking.com/X7yZz>. I could ask Lisa but she isn't cooperative. <http://www.rtvcl.es/twitter.aspx?c=@X7yZz>

18 März 2014

Acco

I see you have now an informant to the account X7yZz. Your @ Allie_Bye aka Lynn??? [https://twitter.com/Allie_Bye/following ...](https://twitter.com/Allie_Bye/following...)
I wish you a wonderful week. Unfortunately, I have to stay in bed with flu. ☹

GroupieTale

Hi, I just want to tell you this. No, I don't have an informant. I didn't ask anyone to "help me".
And I'll tell you this because I trust you. But please, don't talk about this to anyone.
The 2 accounts of the fake Lynn and fake X, I think I know who that might be.
I think the "real Lynn" made those 2 accounts. That way she's attempting to get close to me, provoking my reaction.
She knew I wouldn't stay calm and doing nothing. She knew those "fakes" would be reason to make me come back to twitter.
She knew it'd be reason for us to communicate again, in some way.
And you see, I couldn't avoid her on tl.
And you see, how the real Lynn with insistence was inviting me to talk somewhere else, in private, dms etc
That's what she wants. She wants me to talk with her in private, like we used to. But I don't want to talk in private,
you know the story, already. I don't want it to repeat.
So, I think those fake accounts are just a trick of her, to make me come back to twitter, to make me talk to her etc.
And yes. She knows how to change those settings to make it appear like she's in some other place.
Be careful what you talk with Lynn, please.
I hope your flu goes away soon, I send you warm hugs!
The fake Xtarlight appeared on instagram as soon as I deleted my account. And just a couple of people knew that was my account. So,
I'm thinking, she must have made that account. To make me react. But I didn't react. To make me come back, I didn't come back to Twitter,
Because I deleted instagram and twitter, and I was hiding from her.
But the fake Xtarlight wasn't enough to make me reappear. Then, she made the fake X. And all what she got was that I restored my account,
but I didn't communicate with her. At all. So, she decided to make the fake Lynn. And then I asked her if it was her. She got what she wanted
in part, I talked to her. From there, we talked just a little, about other things. But I did not show special interest.
That's why she's doing anything to get attention.
But, now that I think about all of these things and everything makes me think that she made those fake accounts. That's it.
I'm pretty much convinced, it has to be her who made those accounts. And I have no reason to stay around.
If she wants to play those crazy mental games, fine, she's free to keep playing, but she's going to play alone. Talking to herself on her
accounts. I'm not going to be part. I'm out.

Acco

My dear X, what you are telling me is perfidious. I said nothing to her, except that I told her I am glad to see them again on Twitter. I could not believe that she is playing such a game! It seems to me, it's your stalker. I will have no further contact with her and I'll tell anyone anything about these things. I think you need to be protected from such intrigues and machinations. You do not know that I know this other account of it. Then she writes with themselves, as well as "front" that did. How sick is that!

19. März 2014

If she follows the wrong MJ - do you think that is their tactic? You said she would never follow the wrong MJ! A new quality, a provocation agent of her? You can only quit when you close your account, which she knows. Respond never personally on a provocation.

GroupieTale

Exactly, that's what I think she's doing. And you know I deleted my account, then there was that "Girly" person claiming to be Lynn, then I restored my account, because I wanted to let people know "Girly" isn't Lynn. So, my stalker saw that as opportunity. She knew that those fake accounts would make me reappear. She knows I don't want people impersonating me or pretending to be "X". You know, it wouldn't be good.
Some people believe in me, and if a fake "X" talk to them, they'd believe him. And we don't know what a fake "X" would say.
She knows I don't want that. All these reasons make me think she made those accounts, provocation to make me reappear.
Because she doesn't want me out of her sight.

Acco

People need to know that a fake account is a fake account. We will need a different Strategie. Wenn you say he's a fake, that is not enough. You post your IP and the date of opening your account, which can not be changed by strangers. You just have to make sure that keeping always the same IP. This faker are easy to expose.

That are proof. ☹

<http://www.dmlp.org/threats/la-russa-v-twitter-inc>

Maybe you write on Twitter and you focus on this claim for damages. You can say that you pull something like that into consideration when they do'nt mind

GroupieTale

I would like to do something like that but I fear this could bring too much of attention. I'll try to stay calm, as calm as possible.
Thank you for your help, really. I hope you are feeling better, the flu isn't fun

Acco

I found a good Homöopathicum, which helps very well. Antimony Arsenicosum D10. I am feeling much better. But your problems worry me. If you excite no sensation like, then you can just stay calm and ignore all Faker. You can not really hurt you, they know nothing. They will expose themselves, sooner or later. Stay calm, my dear friend, everything will regulate themselves. If you need help, you know I'm there!

GroupieTale

I'm glad to hear you are doing better. But don't you worry, I'm seeing it clearer. I'm pretty sure she's behind those accounts.

Acco

And you know, I do not want anything for it, never! Friendship is selfless, is not it?

GroupieTale

How conveniently the fake X didn't approve your request, but oh how quickly approved hers. Obviously, it's herself.

Acco

She is behind these accounts, it seems logical to me. No longer reply or react somehow. She has otherwise obtained what they wanted.

GroupieTale

She has been following the fake X and the logic move would be that she'd come quickly to show me X's tweets, don't you think? Well, she didn't pretty obvious, she was waiting for me to ask her. But, I didn't talk to her, I didn't ask her, nothing.

Acco

This idea I had. Why she has not granted my request? How knew who I am, even if I changed the name. My bad English has betrayed me.

GroupieTale

Then last night she uploaded 3 screenshots of X's tweets, and she had them on her bio. But I didn't write her back. I saw the screenshots but I didn't write a message for her. All I did was I wrote on my bio what you see. She can take it the way she want. My message can be taken as to for fake X, or for her. It's the same thing, in the end.

Acco

No, don't write here! That's what she wants. At that moment she has you again in their claws!

GroupieTale

Yes, I don't want to talk to her. My bio is a message for the fake "X".. you know --

Acco

That is good. Not directly and personally, but clearly for the recipient. She is not stupid, they can interpret it.

GroupieTale

I'm afraid of what she would want to do next, because, yes, she's gotten what she wanted, -I'm on twitter and she's watching me- but, but she's not getting my attention. I want nothing to do with her.

Acco

It's amazing what ways people go when they want to achieve something. They reveal themselves otherwise they never would have followed fakers

GroupieTale

That's why I'm afraid of what she'd want to do next, because I'm ignoring her, I'm sure she's not happy.

Acco

You are not responsible for their happiness! Think about it - can really harm you?
What evidence does she have? Did she pictures of you or letters? If 'this is missing, then it can tell what they want, no 1 will believe her

GroupieTale

No, I mean, I'm sure she's angry because I'm not getting back with her. I don't want to talk to her. She does have pictures and letters, yes. And our private conversations. She has threatened me, with that. That's why it took too long for me to "scape" from her.
I'll be back in 30 minutes

Acco

No one can force you to do, they do not. If you do not want it, then ignore it. Pictures and letters - that is not good. Would she use?
You have these things necessarily bring in your property, no matter how. Buy, steal, I do not know what options you have. But if they can really hurt you, then you should take everything into consideration. Otherwise it will be never ending and you always have to fear you.
Think about how you can do it.

GroupieTale

Exactly, I've been fearing this for a long time now. She'd use it? Probably. She's out of control. Look at all these things she's been doing It's crazy

Acco

You have to arrange yourself with her. It was a mistake, but you must now see that you keep the damage small.

GroupieTale

I think keeping my account on twitter is the best way. Because no matter how many "X" appear, people will see my account and know the truth.
And, because she can watch my account. That's what she wants. She doesn't want me to disappear.
She does all these crazy things when I disappear But, I'm not going to give the attention she wants. I don't want to talk to her, because if I talk to her, I'll be in her claws again. I'll protect my account now. Protected now

Acco

My Dear X, even if you do not like, you have to arrange yourself with her! You do not talk to her, but you have to neutralize them.

GroupieTale

Hani, I tried, for 2 years. That woman doesn't understand and she doesn't care about anything, except for her obsession.

Acco

Protect your account, this is a good step but it is not enough to clarify things.

GroupieTale

All 2012 and 2013 I tried in the best ways I could find. It didn't work. Now in 2014 the things got really ugly. You have no idea. She always ends up threatening me, warning me, by saying that she'll hurt herself and that she'll blame me.

Acco

Then from wait what they will do. Observe and react when it is necessary. Do not drive yourself crazy! Keep a keen mind! Do not rush.

GroupieTale

And I have proofs. In January she faked selfharming. She faked that she was cutting her wrist. Because I wanted to leave. And in other 4 occasions she faked attempt to suicide. Always blaming me. Always, since I met her, back in 2009 always made stories up, every time that I tried to leave. Everything "happened" to her, everything. Illnesses, accidents, she got beaten etc every time when I tried to leave. She always makes stories up, to make me stay. She's obsessed. Trying to talk to her is pointless. Really, I know what I'm saying. I spent 4 years talking with her, every day for many many hours a day. I know her. Trying to talk to her just does not help. She's out of control and taking things further and further, doing things worse

Acco

Do not talk with her anymore. She is a psychopath. She wants to use you. Defraud you her completely. You may find you anywhere.

GroupieTale

Now look, she's trying to communicate with me again. Using the fake X's tweets as excuse. See? Her bio. She behaves like a person who is mentally ill. This is your advantage. They will believe anything against her.

Acco

I now need to go, it's getting late. I'm still not really healthy. :) Good night, dear X, we speak again!

GroupieTale

I'm so sorry you now know all these ugly things. But really, thank you for your understanding. I hope you get well soon! Good night!

20. März 2014

GroupieTale

She was insistent on her bio. I acknowledge her, on tl. Something she always wanted. She always wanted me to talk to her on my timeline, @ her account. She likes attention. And she always wanted people to know that we were friends. So, I decided to talk to her on tl, it'd calm her a little. And, she asked me if my message on my bio was for her. She knows it is. Obviously. My responses are full of sarcasm and irony. With a double intention, you know. Then she finally asked me talk in private, again. And we talked a little, in dm. She's asking me about being friends. I told her I'm not sure if I can be her friend because things got really ugly. I'll try to handle this the best as possible.

Acco

Good morning, dear X. Thanks for your trust. When you talk to her, you've already verloren. Sie has achieved what she wanted and she will not let you go. Please do not make this mistake! She will blackMai 2014) you again and again and if you give in to her, then she knows that she can do with you. Stay hard! She says she makes suicide and you're guilty of this is nonsense. She makes it, not you! And if they really do, you can still ask. Saying and doing are two very different things. You are not responsible for their lives and well-being that she's all alone. Therefore free yourself from the responsibility which it has delegated to you. She denies to be the owner of these fake accounts. Do you believe her? I think it would be good if you could close this account. She may not find you. It was a mistake that you have spoken with her. Everything will start again.

Anyone know who this is? Me!

Do you know that? <http://www.thisiswil.com/>

GroupieTale

Hi, we were talking, she asked me to be friends. I said I'm not sure we can be friends after all the things that happened. She asked me to think about it. I said I need time to think. But I told her that I don't feel comfortable. And that I don't trust her.

The first link that you sent, that's her, the one wearing black.
The second link I'm trying to see what it is. I'm with my phone. It's loading very slowly. I don't know what it is.

I'm not sure what you want me to see. Help? I never saw that page before

Acco

I knew her question for you. If you give her the richest one little finger, she'll tear off the next moment your arm. You've seen it often enough, it does not work. My second link shows you the online site of the photographer of the Roller girls, he wrote stories about them, presumably he has interviewed them. Please think for well! I hope you're doing the right thing. Best of luck! ♥ Compassion is not a good basis for a relationship, either as a partner in love even as a friend. Allie has protected their account, which is unusual as the official player. What reason did she have? I can think of it to me. She knows that I know who she is. :/

You've told her obviously. At least they know that there is someone who knows their identity. But that she knows a lot more if it is as smart as I think it is. She sees who you are following and she sees what you write on Twitter. There are no tweets from you, therefore you communicate in a different way So you have another account! Did you say you even my name, they know my open account you do not follow me. Allie can read my timeline. There's nothing written about these things. Thus, I still have another account. That's not what I want, she knows! The protected account of it shows me that their relationship with you it is much more important than their role in the Roller Girls! Think about it and then you have to be clear about what you really want for yourself.

21. März 2014

GroupieTale

Hi, no I didn't mention anything. I'll tell you something, she used to have her account protected. She unprotected her account when I left She unprotected her account because she wanted me to read her tweets, songs, etc some messages "for me", indirectly. She always does this. And she protected again because I told her I was going to protect my account.

And, as for her derby girls, regarding social media, she's in touch with them through different pages of derby.

But really, this is completely normal, routine. Every time when we were not talking, or when I disappeared, she always does unprotect her account, because it's her way to "send" messages for me. Because she knows that I'm watching, so, just in case I look at her account.

She uses to "tell me" things, with her favorites. That's why she always unprotect her account, because knows I'll look and read.

But, since we are following each other, she doesn't need to keep her account unprotected.

Just an example. These are her more recent favorites
It's just another way to make me feel bad.

Acco

I think you have a problem. You can not add yourself loose from her. She knows that and she uses them ruthlessly. Why do you see on their account, if you want nothing more to do with her? Why are you following her and are allowing her to follow you? You you're doing yourself a guilty conscience. Separate yourself from it. If you want peace, you need 2 show consistency against you + her 2. Then you'll feel better.

Today I found this: <http://de.pinterest.com/alliebye5150/> It shows a new name of her.

It is not true that the Allie_Bye account is always protected. It has always been open the last few days. I could follow their tweets on http://whotalking.com/Allie_Bye. Now everything is deleted.

GroupieTale

Yes that's what I'm saying. She protects and unprotect all the time, depending on if I'm talking to her or ignoring her. Her account is protected most of the time. But when I disappear, she always unprotect, because she wants me to see her account. Look, she wrote this, when she saw that I was ignoring her.

She wrote very abbreviated so, I'll explain to you what she meant.

"I locked my account because you aren't responding, so, I'll assume that's directed at me" --- She's saying she'll assume that my message on my bio was for her.

She was letting me know that she'll protect her account again, because I was ignoring her, I wasn't talking to her

And that it was useless to keep her account unprotected.

Then I talked to her on timeline. Then dms, and hours later, I told her I was going to protect my account, then she said that she was going to protect her account again

Acco

For me it is important that you tell her anything about our conversation. Your relationship with her you need to clarify alone. You'll do what you think is right. I thank u for your honesty + I appreciate it. Have a nice day. Do'nt worry, all eaten colder then it was cooking. ☺♥

22. März 2014

Acco

My dear friend, I wish you and your family have a nice weekend. My flu is almost gone, but now I have again a herniated disc. My right leg is'nt OK. The devil shits right now always on the same pile. LoL I do'nt mind if he would move times. Someday everything will be fine again ☺

GroupieTale

I'm glad to hear your flu is almost gone! And don't worry, you'll get better soon, the devil will no longer shit on you, he'll start shitting on me very soooon. I just saw your tweets, what are you doing?? Lol

Acco

You ask what do I do? LoL I stand and write to you because I can not sit. I stand all day. I can not allow that the devil his way to you not helped me. Then I have to worry. It would be better, he goes to where he is at home. I hope you have a nice day. Did you read my tweets? No one understands anything about it except you and Allie but she do'nt read that I think. More I will not write it. ☺

There should be a test to check how much the user really know about you. But you see, no one has responded, they are something of blind! No danger far and wide! LoL You can sleep in peace. ☺ This is a good thing, we are satisfied. LoL Better that way than the other way. ☺♥♥♥

GroupieTale

That's right, it's good they know nothing about me, but that's why Allie's name on your timeline isn't a good idea. People could start connecting the dots and we don't want that, right? Maybe you should delete her name, please.rz

Her personal information is something we never wanted to be known. I hope you understand ♥

Ps: You are lucky she hasn't seen her name on your timeline lol

23. März 2014

Acco

Probably you're right. I immediately delete everything in this context. I do not think people are starting to look, but we do not call it out. Sorry my friend.

All deleted. You never called me their name or account. On 15 November, she was a happy birthday, but I saw she was born on 1 January 1970.

GroupieTale

Hmm where did you see that? No, wasn't born on that date

Acco

I'm not sure, I saw it on her Rollergirl-site. I went with my cursor on her picture, this date was shown.

Everything she has written herself or is open to be read in the networks. Is the risk. Even names connections are found on the net everything. By the social networks and the analysis programs that track the networks.

GroupieTale Yes, but it's strange that date is shown

Acco

With us now is 5:30 clock, I stand again for 1 hour. Lying down is almost impossible. Soon I am quite small. LoL

GroupieTale

Thank you very much for deleting, I really appreciate it Ouch, I hope you get well very very soon

Acco

You're right, there are several bugs in the programs. I've seen on Twitter full names of users, who were suddenly shown. Your wish is mandatory for me. ☺ I also hope that my spine finally gives rest. After that I will make a lot of sports, perhaps helps to prevent. Do'nt worry, I'll never write about this topic a word again. Promised.

GroupieTale

See, this date is when her "character" was born

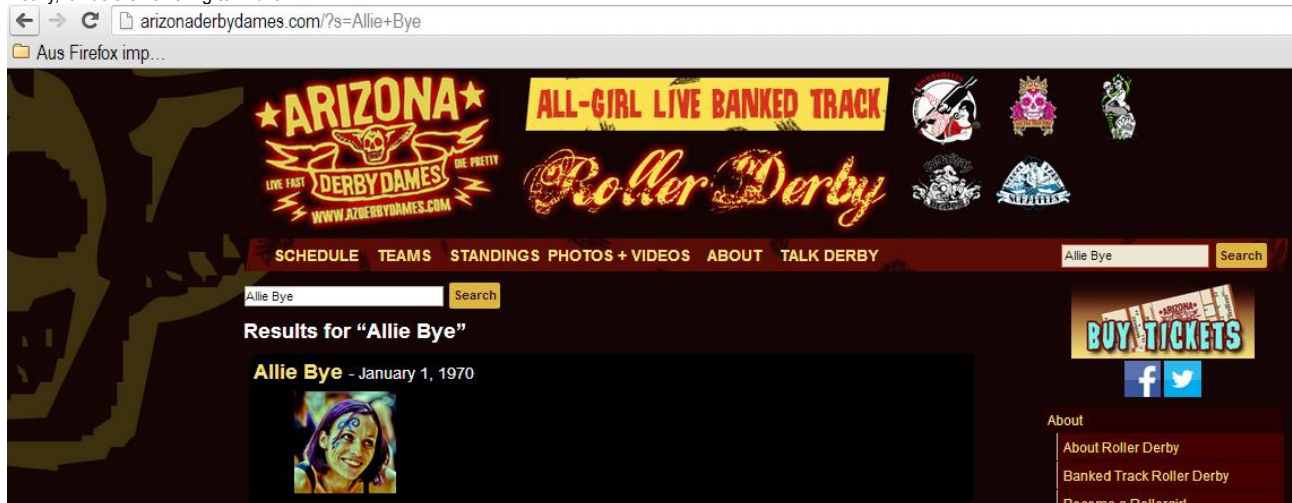

Thank you, Hani you are very kind. You do deserve go heal soon, spine issues are really painful. I send you a big hug with good and positive vibes!

Acco

I thank you sincerely for your kind wishes for my recovery. Your kindness alone concealed the pain, I can smile again. My dear husband is a great help to me also, it takes over all activities in which I would have to bend down. He cooks me coffee and served me breakfast. Really, he is such a good soul. I love him for it so much.

Thank you for sharing the "character" of Allie Bye # 51/50. I read this text already on her Facebook account. <https://www.facebook.com/AllieBye/info> Until now I did not know this story, this actually exists or is it the result of their fantasy? I try again to find the page where the date January 1 1970 was shown.

Really, it was a small thing to find it.

It seems as if this date there her fictitious "time of death". Checksum 9. Some girls took a different date. I checked all. ☺
Funny: <http://www.urbandictionary.com/define.php?term=51%2F50>

She wrote "Got food poisoning after eating at JitB location on Grand Ave in Youngtown, AZ on Thursday night (10/17). Was sick all night and all day (year 2013) " Were you sick too? ☺

I don't know what all that is. I was never involved with her derby activities. I know very little about it. She wasn't playing derby when I met her. She started doing derby in 2012, I think. And it was one of the reasons why our relationship changed so much. Because she was too busy, practicing, playing etc and she started to spend very short time on twitter and she lost interest in these things, the "hoax" things, M things, those fakes etc. She was out of this. And she changed so much. She's completely different now she's really different, opposite to the woman she was when I met her. Before the derby, she was really sweet, so nice, very respectful she was peaceful, she didn't like to fight. After the derby, she's aggressive, she's mean, really different. So, I didn't like her change very much. And I wasn't very interested in her derby things. So, I really don't know what all those pages and dates mean.

Acco

There must be something happened, what she has so changed.
A friendly peaceful man will not suddenly become a fighter.
There was certainly serious injury psychological nature that led to it. But that can be determined only if one would speak extensively with her. It may have been a fear, fear for the children perhaps. This is supported by their answer to the question of a user "How was it dropping off the kids at school today?" Previously, there was a cut dens experience for all parents. Everyone has it otherwise processed for itself ...
<https://www.facebook.com/mix969/posts/10151316087344031>

<https://www.facebook.com/mix969/posts/10151316087344031>...

I see her turn to morbid as an indication of this Here suddenly was a mental overwork that exploded in aggressive behavior. Maybe she felt alone in this matter. So sorry but I understand it. For me it is an escape from their helplessness to really protect their children, faking his own force and displacement of the things that had happened. She is a mother, that explains it really. Unfortunately, she has not included you in their struggles with it. As there are many reasons for this. Maybe she thought you expect from her only dedication, friendliness, fun. She did not want to burden you with their concerns. Maybe she thought you yourself worry enough. But I'm not a psychologist. ☺♥

Thank you Hani, maybe you are right, I know her life hasn't been a fairytale. I hope it's what she wanted and she's happy now. It seems we've finally managed to talk and our negotiation wasn't bad. We did not fight this time. She agreed to keep those things to herself and as private and personal things. We're satisfied. I send you big hugs wishing your recovery <3

Acco

Dear X, I am so glad to read this good news from you. You have agreed to you after such a long time of fruitless efforts! How could you convince them? Will they now comply really your agreement? Did you have to make major concessions? I wish you so much that you need to finally fear nothing from this page. That was really a difficult birth. ☺
My health is somewhat better again and I started this morning with a bit of sport. I think with a little patience everything will be fine again. It is like you in and Ellie. ☺
We must not give up. ☺ I wish you a super great day and I look forward to read from you again. your Hani

26. März 2014

GroupieTale

Thank you very much, I'm happy to hear you'll do some sport, very good!
Well, our agreement is a very private matter because it touches a very delicate situation and it goes both ways, she shouldn't speak about it, neither should I, from now on. It's part of the agreement. And so from now on I'll be very around for a short time, just now and then, not in full mode now that I can take a break. I send you hugs!

Acco

You take a break - you mean you will lose Twitter? Yesterday I read strange things. After the account has been closed. A little, I got the impression that the action was meant for me. But it was an account that I did not notice before. I read the tweets and I was touched. Maybe it was just coincidence. She called herself @ GoodByeMyLovely aka SheWispers. She was following me.

GroupieTale

I won't lose twitter, no. I'll logout. I won't be reading every day. I'll log in every week, only.
I don't know who @ GoodByeMyLovely is, I never saw the account
I guess her tweets are just coincidence

Acco

You're right, probably. She complained that someone was talking about it. She was disappointed and ended for this reason their membership at Twitter. That was all in the time of your appointment. So I thought, she believes the conversations between you and me. I saw you changed your account, no one follows you, you follow anyone. I hope for you, everything is really quiet. Be well, dear X, I wish you all the very best. If you want to talk to me, you know where to find me. I'll be there. Big Hugs with love and respect Your Hani

Michael, my love...

Thank you for showing the world the real and true meaning of LOVE. Thank you for being an angel to so many who are hurting or in need... whether it be through your aweet and generous heart or through the sound of music, you have touched the lives of more people than one could imagine would be possible for a single man to do. Because of you, so many lives have been made brighter. You have inspired so many to reach within themselves and find new meaning in their lives. You are kind, you are real, you are genuine, sincere and selfless... its a beautiful, beautiful thing, and you should be so proud of all you have done. I know I am proud of you.

You have shown me how to live in the here and now, because the past is gone and as you say, "tomorrow never knows"... all we have is right now... and we must treasure every moment we've got. You have opened my eyes to the beauty of life... and love... and now I see, more than ever that LOVE IS ALIVE... in each and every one of us...

They say that people enter your life for a REASON, a SEASON... or for a LIFETIME... but when fate so allows, and you meet that one special person fits into all three... that is LOVE... And, Michael... you are LOVE. THANK YOU for all that you do and being everything you are...

I LOVE YOU MOST (...5 words...)

Hi, Hani. About Maura/Brandi, I'm not sure why you are notifying me about her presence, but thank you. I mean, I know who Maura/Brandi is, her account, but I never talked to her. She's been playing games since forever. About MrXsGirlfriend, yes, I know who wrote that and why. It's not a big deal, really. As you can see many people wrote on that blog. Don't worry, it's ok, people didn't pay attention to it. It's been long, since. I think I wrote on that blog, too. I don't know if you saw it

Good morning, dear X, I wish you a wonderful and successful new week. I think you're right, this woman plays her games with the Believer. TNZ wrote a few days ago, there was a woman who knows the hiding place of Michael in Arizona. My guess was that Maura was this woman. Regardless, MJ will not be there if he was ever there. ☺
But there are nice houses on the Pink Car Rd in Prescott, very hidden you know ... ☺
I send you warm greetings! With love and respect your Hani ♥

1. Apr. 2014

Hi, I'm a little confused as to why you thought tnz were referring to Maura/Brandi.

I know Maura has always been hinting/claiming to know M, or "things". But my opinion is that she's playing. She doesn't know M. She doesn't she isn't in touch with M. Nothing.

As for tnz, they are another players. I'd like to see the tweet you were talking about.

The one you read and thought tnz was referring to Maura. I'm just trying to understand why you thought that.

Were they saying M was in Arizona, when?

M did visit Arizona, but it was years ago. Part of his family has lived in Arizona.

I mean, it's not a secret that he visited Arizona, years ago. But, I don't think Maura know, whatever she knows it's from the news/web.

Now, I'm sure this name/place/road wasn't random. What's the thing about the Pink Car road?

Acco

2. Apr. 2014

Hi dear X, wonderful that you answer me. TNZ talk about a woman, he/she do'nt call this name "Maura". I think, he/she mean Maura, but I could be strong in this case. It could be an other woman. I did not see that Maura once talked about Michael in Arizona. She also did not talk about this Pink Car Road. This road fell into my eyes when I visited the gallery. You and I know it. You wrote: "pretty + 1000", remember? [http://twitpic.com/photos/MrXsGirlfriend ...](http://twitpic.com/photos/MrXsGirlfriend...)

I Wish you a nice day with love and health. ☺♥

Please, do you can talk me, What is meant by this representation of the cover for Xcape? Who created the image? Is that a kind of worm hole into which MJ is sucked?

There aquarium fish were exposed to there feel very comfortable and have multiplied diligently. A kingfisher has tapped this source of food. I had hoped to see again many amphibians in the water, but it is probably too early and too cold. ☺

GroupieTale

That's the account, that's how I'll leave it. It's "hidden". I don't care anymore what the fake "X" does. But I won't delete my account, I'll leave it like that just in case I need it.

I don't have another account. "Gone" is the same as "X" account. Just a different name.

And I don't understand why you say that you aren't stupid. I'm not hiding from you. I know that you know the ID number.

I'm hiding from other people.

So, please, don't you share that name. Please.

And I'll tell you why I'm doing these rts. Because I'm Rting all my favorites. Because once I'm done doing all these Rts, I'll download the file. And I'll delete this account. That's it.

"It's a cat and mouse game"?

Lady H

Excuse me , dear X. I know it is the same account as I could have found it otherwise ? It's the same ID. Only the name is changed.
No one knows this account , except the person who follows you on this account. But that 's not me. I do not know who you've allowed to follow you and I have no way to determine this. Cat and mouse game because I only had to re- find your pictures account. You have not given me the new name. I must admit, it was not so easy , but I think with the image of " Kaitie " I can show you, I found it . ☺
You have a right to your Privacy and on what you want to tell me or the other and what not. No one knows the name of your account and I promise you , I'll give this name to anyone. If I find something that you did not tell me , I jubilant , at the same time I am also a little disappointed. It shows me you do not trust me. But you know, there is not no guarantee of honesty , even among the people whom you think you know them and are directly in front of you and look you in the eye. Honesty is character. one is or one is not .

GroupieTale

I'm not sure why you say I don't trust you. I've trusted you a lot. And I repeat, I'm not hiding that account from you. I hide it from other people
I know that you have known the ID, I can't hide from you, even if I tried. I just want other people to forget about me, and my account.
Thank you for not telling others about it. I really want them to forget about me and my account

It is a very nice summary of the events surrounding the trial that you have developed. Especially if you read it all again you recognize how many guesses and suggestive questions were asked, things were demanded that the witness could answer directly never truthfully, because he did not actually experienced it, he was not there. As for Randy, he also has his decisions taken on the basis of what he heard, not what he really knew. Who operates is definitely not a good manager. I wonder to this day, who gave him the power to fire Ms. Bain and Grace? Apparently he did not speak with MJ or only very rarely, he did not like Grace and Grace was certainly smart enough to notice it, why should she call him constantly? He would never be able to exert influence on MJ. Thus, each call was completely in vain.

Lady H

I do not want to forget about you and your account and I will not either. Maybe you are thinking about it you again different. ☺
Most who have met you here, you may very, myself included. ☺ Think again please about it. You have to immediately decide nothing. Big hugs!♥

GroupieTale

I'm not sure if you understand what I'm saying. I want them to forget about me and my account. I want them to stop talking about me, I don't want people looking for me, searching for my things. Because some people have misunderstood some things that I said, and they have been spreading rumors. And if things get serious and people started to do serious investigation, I could be in serious trouble.
I do think that I have understood you correctly. I do not know if you mean me, I'm spreading rumors or do you mean just in general? I would

Lady H

definitely not want you to get problems and I'll do anything or omit to prevent this from happening. You should enjoy your life, this is my great desire. My greatest wish would be if we could see MJ again but that will not be granted us. ☺ Stay where you are, it is better so!♥♥GroupieTale
No, not you. Other people, and I know their names.

GroupieTale

That's my wish, too. I wish we could see him again, thank you

Lady H

It would surprise me, I've never spoken to anyone about u. You would have certainly noticed when suddenly Followers requests had been made
People are very curious in general. You can only trust the people who are satisfied with themselves and live in a good relationship. They do not need a substitute satisfaction, such as money. Lack of purpose in life is a good basis for malice + greed. ☺ I wish you my best dear X♥

Lady H

Hi dear X, I found a new account and I think, it is a account of Allie too. Right?

28. Mai 2014

GroupieTale

Honestly, I don't know if that's her. We aren't friends anymore. The only accounts that I know is the Allie and the Lynn ones. I went to read that account and I don't know what makes you think that's her. I think she's a teenager. She talks as if she's living with parents. She has a boyfriend and he touches her body. But, no. I never touched Allie. She talks about practice and games, but she plays softball. Allie doesn't play softball. I have no idea who that might be.

Lady H

Thank you for the answer. You sent me once a screenshot of some of Twitter, there was this name shown. You wrote, Allie has sent you to do this to make you sad and torment. So I thought it would be a further account of it. Have a nice day dear X! ☺

GroupieTale

Hani, what is your target? What's your message with all these things you are taking from my twitpic? What are you trying to tell them?

Lady H

I want to say that MJ is alive for me and that I never give up hope. I took the pictures / Vids anonymous. If you want, I should'nt do that, then I will respect it of course and I can delete that. Not many have seen it, my account is protected.

GroupieTale

And, how do those videos and pictures, that one specific voice mail, say he's alive?

Lady H

This voice is similar MJ. I can remember me and I lose my doubts. :)

The picture of Kaitie with Black Star is as accurate and clear, it seems to me to be an original, which only someone can possess it took. I don't write open these thoughts and since no one asks me out, I'm assuming that no one has similar thoughts. ☺ Maybe I have too much imagination. I have deleted my tweet with this vid. If you want I'll delete this pic with Paris too.

GroupieTale

Right, it's because that's him. It's a voice mail he left, many years ago. When he called Marc Schaffel's father, it was his birthday.

Lady H

I'm always amazed what you know everything! I never heard of it. But now it's gone, I deleted it. Lynn wrote to me once, I could believe you and I think she knows why she wrote this. You are an encyclopedia on legs! ☺

GroupieTale

The pictures are clear because they are from the Malnik's gallery. Nancy Malnik took those pictures. She's shared them some time ago.

Lady H

From the video I could see that it was Nancy, but it was of very poor quality. Therefore, I believed the pictures are from a different hand.

GroupieTale

Well, I hope you're right and no one shares those thoughts of yours, thank you

Lady H

I will not use your pictures and be more careful in what I write. I hope it is in your senses. Apologies, it doesn't happen again!

GroupieTale

It's ok, thank you again!

Lady H

I want to disappoint you in no case and your safety is a top priority for me. All is deleted. You don't have to thank me. ♥ ☺

28. Mai 2014

You know I am sincere to you. So I want to tell you that I could find out who follows you on the other account. It's @MsMeganAmbers.

No, she was my follower, and she made those lists. But she's not my follower since the Murray trial. She must have forgotten to remove me from her lists. She can't read my tweets.

Lady H

And your new nick? It changes by itself? I don't know how that works. But if you are convinced, then I believe you also. I don't wanted to

create trouble, but you shall be informed about everything. That was my intuition alone. Thanks for the time and attention that you gave me.

GroupieTale

I know that, because I do have a list, I watch certain people from there. And I notice when they change their name, it does change on the list also. That way I save time searching for accounts. For example, I don't follow Allie. But if one day I searched for her name and if I didn't find her, I wouldn't know if she changed her name or if she deleted her account. I'd have to search for her ID. But, if I add her account to my list, I don't have that problem. Every time she changes her name, I'll see her right there, on my list. That way I wouldn't lose her moves.

Even if her account is protected. I wouldn't be able to read her tweets but, I wouldn't lose her of sight.

Now, in case of Allie, I do know her ID. But, I'm too lazy to investigate all of the IDs of the people who I like to keep an eye on.

So, it's easier and quicker to add them to my list. I'd have them in there no matter if they change their username. It does change automatically on the list, too.

Lady H

I did not know. Thanks for the lesson! So far I have no list, I did not know what lists mean. But now I understand it. Many thanks again! ☺

GroupieTale

One more thing. Megan's list are public. My list is private. You can make one and set it to be either, public or private.

If your list is private, people won't see it. Only you'll see it

Lady H

That's what I was just wondering. What should I do if my special friends are not to be seen by all. So you can adjust the settings here.

I am still wondering something. How do you manage to deal with so many retweets in a day or better in one night? This is huge! You get help?

GroupieTale

I do it on my own. I don't get any help. I do it when I can. It's tiresome, yes, but I want to do it

Lady H

I see again what you've made, you're doing well. I would have expected nothing less from you. Where a strong will, there is a strong man. ☺

Lady H

Dear X, I hope you're OK. With astonishment I found that suddenly the lists on Twopcharts no longer be shown. Is there a connection between my DM to you and this immediate change? One could believe it. Or is it just coincidence? Best wishes from your Hani. ♥ ☺

04. Juni 2014

I see you were here but you do not answer me. :) Even a new account you have set up, it is the same ID, amazing! When I tried to create a new account, I got problems, I could not use the same email address, not even the same browser. I have a question and I hope that thou me answering. What is a link to soundgreat2play? If this blog is not ready yet or it is not accessible to me? Tomorrow is a very important day for me. I go to the clinic and then determine when my surgery will take place. I hope I bring all this behind me as quickly as possible. I want to assure you yet, I have spoken or written with no one about you. Again, thank you very much for your trust. I know it is not self-evident.

05. Juni 2014

GroupieTale

New account? I haven't set up any other new account. Are you sure that's the same ID as mine?? That's so weird.

GroupieTale

I don't know what you meant by soundgreat2play so I just googled it and the only thing I found is a Twitter account with that name.

GroupieTale

I don't know who that is, and the link doesn't work for me, either.

The tweet is from 2009. Are you sure the ID is the same?
GroupieTale

The ID is meant to be unique. There can't be 2 IDs with the same number

About the twopcharts I have no idea, it must be some failure on the page, I don't know, I had nothing to do with that

Dear friend, look here:, the same ID! The "created dates are not the same. But, if I write in "Twopcharts" this ID,

The screenshot shows the Twopcharts website interface. At the top, there are navigation tabs for "Home", "Charts", "Features", and "About". The main heading is "Twitter ID check" with a help icon. A search box contains "soundgreat2play" and has radio buttons for "User-ID" (selected) and "User name", followed by a "Senden" button. Below this, a link says "You can also check out this feature on our mobile website".

Adrianus Wagemakers, the founder of the Amsterdam-based Twopcharts, which tracks the most influential Twitter users by city, says that there was no account number 1 billion. Instead, Twitter registered account 1000000002, which was quickly suspended

Twitter assigns a unique user ID to everyone who joins the network. Though you can't see it on your account, you can check yours here. Twitter started with number one and counted sequentially until July, when it surpassed user ID number 500000000. Sometime after that, Wagemakers says, Twitter began giving out three user IDs and then skipping the next three.

If it is so as Wagemakers say never it can be that these high ID (2014) was awarded in 2009! Manipulation???

There must be some bugs as you say, don't you really worry about it. I understand what you say about closing your accounts, I've been

thinking about closing mine, too. I really wish you the very best, your health comes first, you need to get well for your lovee ones and for yourself. Everything will be ok, you'll see that <3

Lady H

I think about the closing because I want order in the OP if something happens which I do not want. If all goes well, I'll open the accounts again. Something strange has happened to my other account. I will be 2 Followers shown but actually there is only one! Honytania has closed their account a few days ago.
I wish you a beautiful Pentecost, perhaps you're doing holiday? I'm on holiday' every day. ☺ I am sending you a loving hug and best wishes

Lady H

Dear X, I see that you are communicating again with Lynn? Has it found you again? Your answer shows me she makes seemingly trouble. I did not give her your account, I no longer spoke to her for a very long time. :/ I believe, this is not good for you!

GroupieTale

She knew this account. I haven't spoken to her. But I've seen her tweeting hints, warnings and threats. She has deleted some of them. Just look at her favorites. The newest one. She's been doing those things.
You know she's said to me that her favorites are "messages" for me. And some things on her timeline.
She used to keep her account protected, except when we aren't talking. Because that's her way to "send" messages for me.
With my tweet all I wanted to ask her is think about what she's doing and change her behavior. Because it's not right.
I hope she stops. GroupieTale
She's angry because we don't talk, you know

Lady H

I'm afraid you strive in vain to bring her to her senses. You know yourself that it is improper, what it does. It's her character, if she can not have you, no one else may you have. Unfortunately, I can not help, I have to oppose this Mischievous nothing you here. So sorry! It is a satisfaction to her when she sees that you are suffering.

GroupieTale

Exactly, I see you understand how things are

Lady H

They destroyed everything, even the memory of a once very nice time. This is sadism and masochism simultaneously. I think it's just sick.

GroupieTale

Agree. That's sick. I just wish the best for her. I'm not bothering her. You see, I don't tweet things or messages talking low or bad of her but she doesn't stop tweeting things hunting, warning, threatening me. I just want her to stop, to live her life and let me live my life.

Lady H

I know that but it is also completely irrelevant. She plays her game with no consideration for feelings of others. This is very dangerous. It is unpredictable. Rational arguments do not want to accept it because she wants to be so, as you are experiencing now.

GroupieTale

Exactly
Agree, I'm not having good times, you know

Lady H

Do you know that? <http://www.urbandictionary.com/define.php?term=5150> She knows herself ☺

GroupieTale

Yes, that's what it means

Lady H

Maybe you should really no longer respond to their threats.

GroupieTale

That's what I was thinking

Lady H

Then try it and wait and see if they are really doing something. Everything she does, she is also hurt and she knows it safe as well.

13. Juni 2014

Lady H

You follow her again, damn it, so she has achieved what she wanted. She makes with u what she wants, she has totally urself under control. ☺

Lady H

My Dear X, I'm back. Everything is done, now I have to leave the hospital. Unfortunately, it's my cat very bad, I'm fighting just for their lives. Perhaps she was poisoned. I'm so sad but I do what I can. I hope so you are well! I send you my best wishes! ♥♥♥

24. Juni 2014

GroupieTale

Hani, I'm very happy to hear you are back and well. I hope your cat gets well too, that's really sad. I send you hugs and good vibes <3

Lady H

My cat had a 2% chance to survive this poisoning. I have watched day and night, they treated with Homöopathika and warmed. Of course, we also visited a veterinarian. Now he is better. He is still incontinent, but that's not bad for me. Main thing is that he lives. For me, the excitement was not so good, but I'll recover. ☺ Thanks so much for your love wishes for me. You are really very nice! ♥

27. Juni 2014

GroupieTale

That's so sad :(I hope your cat gets better day by day, and please take care of yourself Lady H

Lady H

My dear friend, we have lost the battle. Our Charly died this morning in my arms. I am heartbroken.

GroupieTale

I'm so sorry, I have no words. That was very cruel of the people who harmed your cat. I send you many many hugs

29. Juni 2014

Lady H

My dear friend, I thank you very much for your words of comfort. You know yourself, there are very evil people in this world without respect for creation and for the feelings of other people. They are just heartless. I know you're not so! I wish you a nice Sunday with many love!♥
Dear X, you @CaroMJBeliever asked to delete a tweet. Obviously, they did it, you got thanked you for it. I wonder how you could read her tweet, her account is protected!

02. Juli 2014 2014

Lady H

You do'nt answer so I found the answer only 2 me. Sometimes I do'nt understand what you are doing with me. ☺ :(Have a wonderful day dear X ♥!

GroupieTale

I don't understand what you mean what I'm doing to you. I'll give you the answer, I did see her tweet because she was unprotected.

She did unprotect because she wanted to send certain information to certain user but the information was wrong.

She did protect her account when she deleted the tweet. That's it.

Btw, please don't follow my other account, I don't want some of my old followers find me. Remember some of your followers were my followers and if they see that you are following me, they'd see me. Thank you for the good wish, I hope you are getting better

Lady H

Of course I will respect your wish. I follow Caro for a long time and they me, I can not remember that it was ever open account. But you say it like it is certainly true. ♥

I have recovered a little, my dear friend, I can finally sleep. The first night I could only sleep with a decent alcohol level. Due to the distraction of our grief we saw a football game and drank a few bottles of beer. ☺

GroupieTale

Dear Hani, I'm glad to hear you are doing better. I was reading our old dms and some of them give me the impression that you've thought that maybe, just maybe, I might be "certain person"? If I've misunderstood/misinterpreted your words please I ask you to forgive me. Sometimes it's just a matter of "barrier language". But, in case I've interpreted some dms correctly, I just want to make it clear, that one point in particular. That I'm not that person, and that I'm so sorry if I gave you that impression. Please, receive a hug I'm sending you with all good wishes for you and your loved ones, get well soon

Lady H

You're right, I thought it. Some things give the impression. For example, your great fear, your identity could be detected, but also some other tweets, I could show it to you, it showed me. There were conversations between me and Lynn, these supported me in my opinion. Last but not least your fear, Lynn could bring something from you in the public, encouraged me. How was she able to blackmail you if you "just a man on the street" would be? Who would be interested in what she writes or says? I read their favorites, they very often writes of a "virgin" - another coincidence? Of course it may be that my interpretation follows a wishful thinking, but I do not think it likely. But for me, all this does not matter, I do not ask you and you do not have to answer me. What you told me, or want to tell more lies in a deep pit, far removed from the public. I love MJ and his art very much, I would never hurt him and I have the greatest respect for you. I am a loving and caring Sagittarius, no vengeful Scorpio. 😊 😊 😊 ♥ ♥ ♥

Lady H

Do you do have our entire conversation? That's what I own.
<http://www.daten-transport.de/?id=AWZSkVgTgmk8>

GroupieTale

I don't understand what you say about their favorites. Whose favorites? And what's that about the "virgin" part?

I'm not sure what talks you had with Lynn that made you think that.

As for me, my fear is because as you know, I was very close to her, for 4 years, the first 2 years she was my gf. The year number 3 I spent with her it wasn't very nice, the year 3 and 4. Very ugly. But, the first 2 years we shared a lot. So many personal and intimate things. So.

I hope you understand.

And, what is that file about? I mean, why are you saving all those things? I'm just a random person on the street :/

3. Juli 2014 2014

First I want to tell you, I don't work behind your back. I noticed that you quote many tweets, so I suppose you secure you the communication. You wrote me you have everything reread. I can't read everything with me, if I did not secure me. I read the favorites of Allie Bye, where she often wrote of "Virgin" what Virgin do, how they analyze different than Scorpio. When Lynn she wrote me back then when we were discussing about the type at the O2, I still doubted that it was actually Michael, if I'm convinced X knows more than others (I wrote it once) then I believe you should absolutely. I wonder of course how she knows this, which is why she is so convinced?
Then there were problems with the security of your accounts, you have been attacked apparently. She wrote me that you can check her account and your account of your administrators. I asked them to leave also check my account, but to wrote to me, that would't be possible, I live in another country. Still, I wondered, how is it possible that you can check their account? What options do you have that I don't as a normal user has?
That was the conversation with Lynn, that's all it was.
If you have any further questions still, please ask me, I will gladly and honestly answer.

Lady H

I assure this because I have problems with the translation. So I can still read it again. It's only for me and for you if you like.

No one knows not even my hubby. He thinks I'm crazy anyway because I am convinced that Michael is alive. I can't talk about it with him.

GroupieTale

I need your help, please. Did you save my twitlongers? Do you have screenshots? I deleted them when I left and I need one of them
The one where I say how front makes some "predictions" during the trial, based on the depositions that got leaked online months before the trial begun
SORRY,,I MEANT *Did you save. Not "Did you same".

Lady H

Can you please tell me where you have published this Twitlonger? UhmJustHere ore X7YZZ?

GroupieTale

On X, but I deleted all my twitlongers when I left. I was wondering if you have screenshots of them, because I think I need 1 of them

Lady H

Screenshots of your Twitlonger unfortunately I have very few. I had hoped to be able to help you. I want to see if I can find something

GroupieTale

Thank you, Hopefully you can, I didn't have many, I'm not sure but I think I had 4, thank you again
This One <https://twitter.com/mjstruth7/status/377638524956073984> ...

I'm so sorry, I found nothing, nothing for me and nothing for other. Just a coincidence could help us. Someone should have taken a screenshot.

5. Juli 2014

7. Juli 2014

Thank you very much! How are you doing? Are you recovering well? I had a long and nice weekend, thank you! I hope you are well very soon!

Lady H

Thank you, dear X. I'm doing a little better every day especially my heart seems to be better. I need a little more patience. The healing

Lady H

process takes time. Voice, scar and swallowing aren't as good as I wanted it to be. I'm very pleased that you had a nice time! ♥ Love+hugs!

8. Juli 2014

Dear friend, I am a little confused. I read in TrootResearch an indication of a link from "Debunkingfakes". Therein my images are used!
Lady H

I was not asked. Is not that strange? Besides, you deleted your "Gone" account! What is the reason? Have a nice time, dear X. I will now
Lady H

watch the soccer match between Germany and Brazil. Presumably, our team will lose. We are currently strong thunderstorm. Warm hugs 2 you! ♥♥
GroupieTale

The author of debunkingfakes is anonymous.

It's not strange. They used the information they found everywhere. I guess they used things you've shared on your timeline, maybe.
I made some changes on my account because I don't want old followers find me. Have fun watching the game! Hugs!

Dear X, everything seems to be really possible. Germany leads 5-0 in the first half. I never would have thought. Brazil I'm sorry, the crew lost their best players. But it is in these competitions, it could affect any crew.

You know, I've already guessed, TrootResearch77 you are - the posts are very similar to yours and actually, this user could not know that you took a break. ☺ This is why I have given the hint some time ago, "Front" is a good role model for the change of identity. He also communicated with yourself, you can remember probably. ☺ Accordingly, I could take that is not anonymous, you've worked out. Debunkingfakes are also you.
If this is so, of course you may use my images. We had also agreed.

GroupieTale

Hi, Hani! 5-0 sounds very nice, congratulations! Well, responding to you, I'm not Troot, but I contacted and I sent some information that it can be useful, to Troot and those ppl fighting against Front. That's why Troot has been using some of the things I used, before. Also, I've sent some other information to help them fighting against other fakes.

About the break I took, Troot knows because I told them. On timeline.

That's right. Debunkingfakes is not anonymous to me. I know who the blog belongs to. But they want to remain anonymous. So, I have to respect their wish. Maybe one day they decide to make their identity known.

I did not make the blog, but I did work with that person, putting part of the information together. Thank you for allowing me/us the usage of your work, also. That person did not mean to take credit for other people's work. It's all for a good cause, you know. To share all things to all ppl interested and help them open their eyes

Dear X, everything seems to be really possible. Germany leads 5-0 in the first half. I never would have thought. Brazil I'm sorry, the crew lost their best players. But it is in these competitions, it could affect any crew.

That part I don't understand.

I mean, "Front" talking to himself as Keyboradwizz and you spoke as "xyzz" with "Mystery" or "BoozyLightYear". It is nothing new that a user communicates with itself.

GroupieTale

Front has talked to himself @ his other accounts. But I have never tweeted @ myself from one of my accounts to other account of mine lol
Lady H

9. Juli 2014

GroupieTale

I've tweeted @ myself on the same account. For example, on X7yZz @ X7yZz, as a joke
Hm.. I don't remember that tweet. I'll look at it tomorrow

That's sooo weird, I couldn't have done that. Because my account BoozyLightYear was the same account as my X7Zz. I was BoozyLightYear and then I changed my username to X7yZz, the same account. Since Oktober 2014ober 2010 it's been the same one account. So, I don't get it.
Lady H

My dear X, that I know all. Always you has the same IP.

But the unpopular users will always find you if they know your IP. So it makes sense when you open you a completely new account. Especially unremarkable it is when you first work with two different accounts and delete the well-known account. For me it was striking that you have withdrawn yourself and at the same time appears TrootResearch77. This member mentioned immediately your "time out" even though this only since February 2 owns this account and you warrant test anyone access to your account in time. For this purpose you have ever changed your name. So who did not have your IP, would have to lose sight of you. That was what made me suspicious. In addition, the similarity of the contributions. Now, as I still use my images found that hardly anyone else knows, that was the icing on the "i" for me.

no matter how was your name. It is'nt important.
Lady H

Another thing I've realized. You always follow a user by only one account. ☺
I hope you had a restful night. My best wishes to you
your Hani♥
GroupieTale

Ok but I mean, I never tweeted X7yZz @ BoozyLightYear. That's not possible. It's so weird. And I don't work from 2 different accounts. This one is private, personal, I made this account because I wanted to save some tweets of the trial. That's all. I never wanted ppl follow me or talked to me on this account. I left, my time out was real. I don't want followers on my other accounts. I can't delete my account because there's the fake X7yZz.
*other account
If I delete my account, the fake X will say whatever he wants and ppl will believe they are talking with me. That's why I don't delete my account. Because my account is the proof I have that this is me and I can talk from my account to disprove the fake X.
And, precisely, when I saw that Troot and others are fighting against front, I reopened my account, because I saw Troot was sharing the letter of Lynn to the estate, the debunkingfakes blog etc which are things I was involved with. I did work with that. And in the letter of Lynn, there's a link to my albums, where I made a compilation of screenshots to prove the behavior of Front.
GroupieTale
9. Juli 2014
But I deleted my albums when I left. Those albums don't exist anymore. But I kept the backup of the albums. I never shared the link before, ppl didn't know I had and kept the backup. So, that's why I reopened my account, because I wanted to give the link to Troot and the other accounts that fight against Front. That way they have now the complement of the letter now. That worked together. The letter and the albums. I'll show you some dms between Troot and me

9. Juli 2014
See? I'm not Troot

Lady H

OK dear X, it was an idee of me. ☺ A new account would have been a good way to remove inconvenient user.

Lady H

13. Juli 2014

You changed your name again. This will probably bring you no profit. The user who wants to doggin'you own your IP. They will find you!

GroupieTale

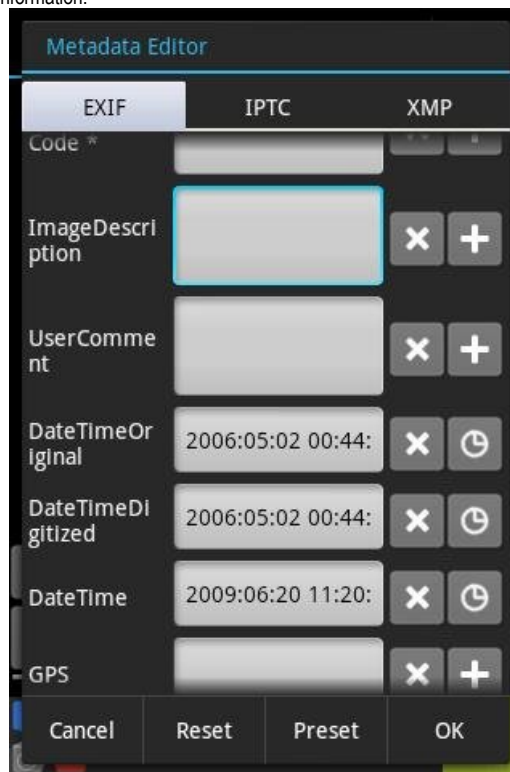

I know, but hopefully not all the users know my ID, I hope they don't

Lady H

I wish you that you're right. ☺ I send you greetings and a warm hug. A beautiful and successful week for you and your fam! Your Hani♥♥♥

15. Juli 2014

Hi, this is what I get when I look at that picture's information.

I interpret the first 2 dates as that it was the date the Camera had set, at that moment.

GroupieTale

The date below is the correct date. And if you remember, they've said Michael tried those outfits on, on June 19. So, thats right.

GroupieTale

The correct date is the one below. Midnight of June 19/20.

My thoughts are that Zaldy brought his camera, he put the batteries into it, and he did not update the date.

And, this is the camera. http://m.dpreview.com/products/panasonic/compacts/panasonic_dmclx2 ... It was announced on July 16, 2006. So, how could it be possible for Zaldy to take the picture in May, if the camera was announced in July? -.- So, that's my verdict.

The picture was taken the night of June 19/20 but, Zaldy did not update the date in the camera.

Yes, June 19/20, 2009.

And also, the year of the announcement of the Camera does explain why the "2006". I hope I explained myself clearly. Hugs!

Lady H

16. Juli 2014

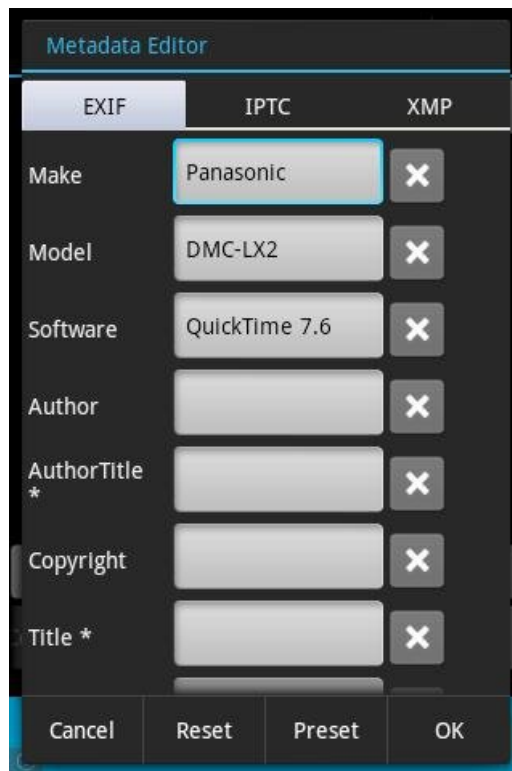

Thank you, dear X. I understand what you tell me. ☺ Have I nice time!♥

This is really strange: such a special guest and then the camera is not set correctly? But it is sure it was June 2009.

GroupieTale

17. Juli 2014

Do you know how to use google earth or google maps? Look, these are the coordinates.

I haven't looked at those coordinates on the computer, I'll look tomorrow

GroupieTale

<https://twitter.com/hasil1969/status/489645033197301760> ... Would you please show her my dms where I explained to you about the picture? Just please, black out my username.

I don't want her to know it's me. You can tell her another user gave this explanation to you but don't tell her I did it, please, thank you!

NOW.. <https://twitter.com/MJHOAXLIVE/status/489621228974383106> ... "exif data doesn't lie"?? Oh ok... Do me another favor please.

Download this picture https://www.dropbox.com/s/dr6uq7l678okmha/IMG_20140715_170400.jpg ...

Once you've saved the picture, go on this page <http://exifdata.com/> and look at the whole thing.

This is what you'll get.

Of course exif data CAN lie.

If you want, please feel free to make a twitlonger. Copy what I said in my dms with my explanation and paste it on the twitlonger. And you can use my screenshots, everything. Well, I wrote the twitlonger and added the screenshots. I haven't made it public because I haven't looked at the coordinates, yet. As soon as I do I'll let you know

Lady H

Dear X, I'll do that. I do not find an address for these coordinates!

Lady H

Now that I found:

GroupieTale

Sorry, it looks longer

Yes, I was looking at those coordinates on the computer and I don't know why they are in the picture

http://www.twitlonger.com/show/n_1s2h1ug?new_post=true ...

I don't know if it's something set by default, I have no idea

Lady H

I can not explain it to me. Actually in pictures only information that may be affecting the image itself, but no coordinates.

GroupieTale

I'm not sure why they appear that way. You see the information of GPS isn't there, they didn't have the GPS turned on.

Lady H

I tried to find out if this camera has a GPS function. I have come to the conclusion it does not have this function. o:O

GroupieTale

That's why that space is empty

But then who knows what those coordinates mean, you see it says "Ex"

Lady H

When I think evil then I might guess, this camera or its owners were secretly spied on. GPS is off, and though data is apparently captured.

I saw it. Obviously, no information is really a secure information. Everything can somehow be manipulated.

Yes, I hope they realize This and put that Zaldy picture to rest, already
Lady H

Dear X, do you have no pictures more for me? I would so gladly have again seen a few new pictures. ☺❤
GroupieTale

Hi, Hani, new pictures of?
Lady H

22. Juli 2014
New pictures of you or MJ. ☺☺☺ I hope you had a wonderful start into the new week. We took advantage of the beautiful summer weather with a lot of wind for sailing. Today I have a little soreness from the trapeze sailing on high edge. I had to, otherwise we would have capsized. ☺

New pics of M? That's not easy, you know, he's gone, not around anymore
GroupieTale

Enjoy your weather over there!

I know but I know your options well. ;) Thank you, this we will do, it strengthens the body and mind. ☺

Dear X, I wanted to show you my communication with myself with DM:
You see, it is possible. ☺

GroupieTale
Hi Hani!
" I know but I know your options well. ;) " --- my options? What do you mean?
Lol your dms!

Lady H

Hi, dear X, I hope you have a nice day. For us it is the same supper. ☺ Enjoying yourself on my DM's? ☺

Lady H

Your options - I know from experience, you can more than eat bread. ☺ ☺ ☺

GroupieTale

Yes, it's possible, but I'm not Troot, really :).

"I know from experience, you can more than eat bread" -- Hmm.. Lol Is that a good thing or a bad thing?

Thank you, enjoy your day too!

Lady H

This is an expression of recognition and admiration in the German language to. ☺ I have found 5 people you are following. 2 I could not

Lady H

identify yet. Why may I not follow under _Procyon_? This name, nobody knows.

GroupieTale

Aww thank you, then. It's ok, follow

Lady H

If you want, I can show you the names:

Lady H

Thank you, I am very pleased. Now I have to make the food. Enjoy your day! ☺

GroupieTale

Wow nice, thank you! You may send the request if you want

Amazingly, Troot cites a Twitlonger of All4loveMJ. Since he opened his account until the February 02 in 2014, he could not know this account of Lynn. At this time, this account no longer existed, they had long since chosen a new name. Again, a fact which makes me suspicious and confirmed my assumption Troot and you are the same person. At first I had this feeling because the systematics in the work of the research as their publication suit your style. DM's are not proof, I showed you how to communicate with itself.

30. Juli 2014

GroupieTale

Ok, I have this question. Why would I communicate with myself in dms? Those dms between Troot and me, the ones I showed you, were sent days before, way before you told me about your suspicion. How would I know there'd be someone thinking Troot and me as one person?

And about the letter of Lynn, I don't know Troot knew about it, the letter had been circulating for a long time.

And some of the things Troot has been tweeting are things I was working on because I told Troot in dms. Old things I was working on, and some things that I personally wanted to make public but I couldn't because I don't want attention over me, I've been sending Troot and Troot has been making public. For example the tweet about Michael's left pinky. Troot had no idea about it, until my dms.

Many ppl knew about the letter of Lynn, I remember someone posted it on the forum lipstickalley too, but I was surprised when I saw Troot Tweeting the letter, that's exactly why I contacted Troot.

The other twitlonger about "Impersonating online a dead or alive" etc I sent it too.

Lady H

There are only reflections of me, they must not be true dear X. It is certainly possible that Troot has discovered these tweets, especially if you showed him these things. You do not have to justify yourself, I just wanted to share my thoughts with you. Have a nice day, dear X! ☺♥

GroupieTale

It's ok, no problem

Have you seen this? [http://www.change.org/fr/p/%C3%A9titutions/mjcommunity-petition-joanna-thomae-estate-michael-jackson ...](http://www.change.org/fr/p/%C3%A9titutions/mjcommunity-petition-joanna-thomae-estate-michael-jackson...)

Petition Joanna Thomae Estate Michael Jackson: <http://youtu.be/gacuV6a-Gdk>

It's a group of fans who want to stop that French channel of airing a reality show where Joanna wants to tell "her secrets" with M.

Lady H

Thanks for sharing. That I do not know. I know the name of Joanna Thomae. She was a friend of MJ "allegedly".

It may even be advantageous if a woman talks about the fact that Michael was a normal man with normal needs. It might help to show that Michael did not have pedophilic tendencies. You wrote long time ago:

X ?@X7yZz 4 Jan

Is it me or this FAKE "Joanna Thomae" @JoannaThomae_

sounds just like missX I'm watching? I can't name names bc @Bethsabée7Mikal gets mad lol <http://www.vidup.de/v/G7IRs/>

GroupieTale

That woman will say whatever she wants and M can't say a word :/

Oh yes, I meant that the twitter account was fake, not the real Joanna. And that her tweets reminded me of the way Beth writes.

Lady H

That's true, dear X, this woman and anyone else can now say what he wants. Michael can correct anything if it is not true. Exactly that is exploited by some now, even by those who claim to have been abused by him. I think he was expecting it. It was to be expected.

GroupieTale

Idk, all I have to say is (and after making deeeeep research on this matter) Joanna was just one of those fans/followers. She was following Michael. He did invite her to come to the ranch, that's right, but, he did invite other fans too. It wasn't only Joanna.

And ALL of her pictures with Michael are just the same pictures other fans took with Michael. At the same places. Public places.

Like hotel lobbies. Stores. Record stores. Outside of restaurants. Outside of hotels.

I've seen other pictures of fans with Michael, and they took their pictures at the same time Joanna and others.

And the pictures of her at Encino mean nothing. There are many stories of fans who would come over and knock at the door and beg Mrs Jackson let them in and Mrs Jackson would let them in. Really. She did this with many other fans, many times.

Lady H

It hink that too. She was too young. I do'nt think that MJ has accepted them as girlfriend. This is wishful thinking. So far, their statements were always respectful. I hope it stays that way.

GroupieTale

Just a little bit of logical thinking. <http://images4.fanpop.com/image/photos/17400000/MJJ-michael-jackson-2002-2009-17493527-1000-714.jpg> ...

See what's in Michael's hand?

To REMIND him they've met before? Etc

Lady H

Exactly what I mean. Inconceivable!

GroupieTale

This is the picture she showed him <http://www.mehach-magazine.com/wp-content/uploads/2014/07/Secret-story-8-Joanna-Thomae.jpg>

This one is in Las vegas outside of a hotel

<http://www.mehach-magazine.com/wp-content/uploads/2014/07/Joanna-Thomae.jpg> and I've seen other fans with almost the exact picture. I read a story a fan told, long ago, she had her picture taken right there. In her story she told she met with other fans, and one of those fans was Joanna, she was with all those who were waiting for Michael to come out of the place. They got their pictures and Michael left immediately, he did not stay with her or any other for special time or apart of the rest. Nothing. He did treat her just the same as others.

<http://images5.fanpop.com/image/photos/30800000/Michael-Jackson-and-Joanna-Thomae-michael-jackson-30815484-455-640.jpg> ...

Thats in vegas too, she's wearing the same exactly as before.

Lady H

She was just a fan like everyone else, this is obvious. As such, they can actually tell no particular story. In addition, she has already

GroupieTale

This one is in a record store. To the left you can see the racks with the cds. <http://2.bp.blogspot.com/-DSDvqUJ2sCQ/Ta0dyuZjvfl/AAAAAAAAAB4w/MY7Y4VWjrs/s400/MJ+2011+Joanna+4.jpg> ...

Lady H

told everything. Then she is just another parasite who wants to make money on the backs of MJ too.

GroupieTale

And, ldk if whatever she says Will be good for her, anyway. There's a story about how she got kicked out of Neverland. I doubt she'll want ppl to refresh their memory and tell that one.

Lady H

That's true. There are'nt probably many more who want to hear their story. ☺
