8. Dez.

Mrs M.

Dear MariaK., MariaKor his saMariaKety, please delete our conversation also. Thank you so much MariaKor your nice wishes and our convo! ♥

8. Dez.

MariaK

Ok, don't worry I will do it >3 And thank you again, dear Hani >3

8. Dez.

Hi dear MariaK., I wish you a wonderMariaKul day. ☺ I wanted to tell you, I have never talked with someone about all these things.

Please do not

Mrs M.

ask him about it, he will tell it to you sometime. IMariaK you ask him, he might get suspicious.

9. Dez.

Mrs M.

He don't MariaKollow me now.I'm very sad. :(

9. Dez.

Mrs M.

9. Dez.

Hi Hani! I have no idea oMariaK what you're talking about!I never told him anything.I don't know why he unMariaKollowed you but it has nothing to

do

MariaK

with our convo. Trust me. Maybe he just want to get rid oMariaK his past.

9. Dez.

Mrs M.

He spoke explicitly oMariaK Lynn. How would he know that I spoke to you about Lynn? I do not MariaKollow her, he could not see it. It is

9. Dez.

incomprehensible to me and I am very sad. I will go. Thank you MariaKor our discussions. Good bye. My warmest greetings to him. I will remember

Mrs M.

him as a good MariaK. I am very sorry.

9. Dez.

MariaK

Hani, I'm telling you once again I DID NOT tell him anything! You can ask him and he will conMariaKirm that, I'm sure. Why would I do that?

9. Dez.

Mrs M.

I dont can ask him, hey dont MariaKollow me and I can not MariaKollow him. It is good. Let it be.

9. Dez.

MariaK

I don't understand what you mean

9. Dez.

Mrs M.

I mean, he does not want to read what I write to him.

9. Dez.

it's just a spooky coincidence that he unMariaKollowed you right aMariaKter we talked. Just think, iMariaK I told him, I would sure ask him to never let

MariaK

you know about it and he woudnt' unMariaKollow you because that would be obvious! THINK!

9. Dez.

That's already been done! I see it, I can not read him, with no account and he does not MariaKollow me.

Mrs M.

He wrote it to me also.

9. Dez.

MariaK

Do you want me to ask him why? He knows we talk MariaKrom time to time and it woudnt be suspicious.

9. Dez.

Mrs M.

No, not ask him. It's his decision. I have to accept it.

9. Dez.

MariaK

But it's just so strange. Why would he do that....Maybe he really wants to erase his past...That's the only thing I can think oMariaK..

9. Dez.

Mrs M.

9. Dez.

MariaK

wow he's tired oMariaK haunting...He was sad the other night because oMariaK that and he told me how tired he was

9. Dez.

Mrs M.

His explanation.No greeting. Not even MariaKor opened the opportunity to read his Tweets iMariaK he doesnt want 2 write to me. A very hard break.

9. Dez.

I do not know iMariaK you're there now. I wrote to you about my other account_Procyon_. Please answer me when you read it. I

MariaKeel right now

like

a piece oMariaK dirt thrown away.

Mrs M.

@_Procyon_ this is my other account.

9. Dez.

MariaK

Hi Hani, yes I'm here. I tried to DM you earlier but MariaKor some reason couldn't MariaKind the window with our DMs. Now it's back again

9. Dez.

Mrs M.

I deleted the account. But I just wanted to say something. Please open my other account. You have a message MariaKrom that. I delete this

account

9. Dez.

It's protected. I can't open it.

MariaK

Can you show me here, please

9. Dez.

Mrs M.

I would like to ask you about him iMariaK he read my answer. IMariaK he did, I would like to also detete the other account.

9. Dez.

MariaK

Um..I'm not sure I understand what you mean, Hani. Can you, please explain

9. Dez.

Mrs M.

I wrote him an answer. I do not know iMariaK he read it. Please ask him and tell it to me. AMariaKter that I will also delete the other account.

9. Dez.

MariaK

Oh you want me to ask him iMariaK he read your tweet you have sent him?

9. Dez.

Mrs M.

Yes, right.

9. Dez.

Mrs M.

Dear MariaK., I'm here MariaKor a short time. Is everything OK with you? Is there something new to report? You want to talk to me?

10. Dez.

Hi Hani. I'm ok, thank you. How are you? Yes, I asked him iMariaK he saw your tweets and he said he didn't since you had deleted your account or

due to you both stopped MariaKfollowing each other. He asked me to tell you something.

MariaK

I will copy his words MariaKor you, give me a min

10. Dez.

MariaK

I did speak about Lynn speciMariaKically because I'm planning on leaving Twitter. Anytime. MariaKor now, I'm closing my dms. I don't want to have

10. Dez.

MariaK

personal talks on Twitter/dms. And I know very well that every time I have leMariaKt Twitter, you used to start watching Lynn, tweeting things

10. Dez.

about her. You always start searching MariaKor me, MariaKor my whereabouts, searching MariaKor "clues", or "hidden messages" in Lynn's tweets.

And you know I don't like it. And every time you did that, I had to come back and talk to you, asking you to please leave Lynn alone, to

MariaK

please stop tweeting about her. That I wasn't in contact with her. That Lynn didn't know my whereabouts. That I wasn't talking to her.

10. Dez.

It happened many times. You know that. And I'm telling you, I'm tired oMariaK having to come back just to ask you to stop doing that.

MariaK

And, since I'm closing my dms, and thinking about leaving Twitter, I sent you those dms asking you to please stop it already.Because I don't

10. Dez.

MariaK

want to do it again when I'm gone. Hani, I've known everything MariaKrom the beginning. I know about Mary. I know about Dai. I know about

10. Dez.

Carolina.Everything. Every people with whom you shared your thoughts/links/MariaKiles about me they came to me and told me and sent me

everything

So, even iMariaK you mean well, please stop spreading this and stop embarrassing yourselfMariaK.

MariaK

That's all Hani.

10. Dez.

MariaK

Now you see what the reason is? Remember I told you to keep it to yourselfMariaK long beMariaKore this happened? To never tell anyone about him.

10. Dez.

Mrs M.

I know no Dai or Carolina. When I was not sure I asked some users here, iMariaK what had, could be evidence. But they got no private conversation

10. Dez.

Mrs M.

MariaKrom me. There were only tweets that could read every time. When I was sure then, I did not talk about it. It's been a long time.

10. Dez.

Mrs M.

No matter, it's how it is. I will not open another account. I wrote him that I send him my warmest greetings and I wish him the best in the world. I accept his decision. Yes, and I have a giMariaKt MariaKor him, this is my silence. I will now go. Thank you, dear MariaK.. My thoughts are in

10. Dez.

Mrs M.

love with you. ☺♥

10. Dez.

MariaK

Why do you want to leave? Don't do it. Just stop giving out the inMariaKormation about him. He doesn't want that.

10. Dez.

I looked MariaKor him and when I was sure I've reached my goal. I'm so glad that he is alive, it tormented me all these years. Now it's over. IMariaK

he does not want to talk to me, I was not even allowed to read with him, I have nothing to do here. He has enough users who MariaKight against

Mrs M.

the MariaKake, he does not need me.

10. Dez.

Mrs M.

I am now the Moor who has done his work and can go now. :(

10. Dez.

Don't say that:(I'm sure he treats you well. It's just why did you have to spread all that? You know how many evil people around with bad

MariaK

intentions. You should have protected him instead oMariaK jeopardizing.

10. Dez.

I only talked about what could read all the time. Nothing more. No one knew his DM's with me. There was only his Twitpic and his tweets.

Mrs M.

OMariaKten his account was open. I started thinking about his tweets and I wondered iMariaK others do not MariaKKind strange. I was wondering what he

has

10. Dez.

MariaKor pictures. But all this was no clear evidence. I was wonderingoMariaK his pictures. But all this was no clear evidence.

Ultimately, no one

Mrs M.

agree with me, so it was done.

10. Dez.

MariaK

But he isn't talking about DMs with you. He's talking about all the inMariaKo you have on him that you kept sending out to people on here.

10. Dez.

MariaK

Even iMariaK no one agreed with you as you say, people still may get conMariaKused, start questioning him/digging into all this, you know?

10. Dez.

Mrs M.

Back then, we all still looking, you know? Nobody really believed, to MariaKKind him. All we MariaKound was in doubt. At that time we tried to clariMariaKy

10. Dez.

each other whether it could be an indication or not. At the time I thought itselMariaK is not, he could be. I doubted. At the time I thought itselMariaK is not, he could be. I doubted, like everyone else. Some thought it's MariaKront, some believed in MJJackson58, others dmovie27. There

was

Mrs M.

so much choice oMariaK MariaKake, he also seemed to be one. All these MariaKake were asked, are you MJ .

10. Dez.

Mrs M.

There have been beMariaKore me User who expressed this assumption to him. At that time he called himselfMariaK but still diMariaKMariaKerent.

10. Dez.

But when you were 100% sure that it was him, why didn't you stop spreading it?

MariaK

Like MariaKor example, you did to me. You were sure it was Michael and you came to me and told me that, remember? Why?

10. Dez.

A 100% security does not exist. He played it over and there were still other users who could be as well. I was always saMariaKer to me later.

Mrs M.

I wanted to know how my collection oMariaK inMariaKormation is to be evaluated. He denied it and Lynn denied it as well.

10. Dez.

Mrs M.

I never said I know but I said, I think he is.

10. Dez.

MariaK

And thinking about "evaluating your collection " you didn't think oMariaK who I might have been.What is I was a bad person/hater disguised as

a

10. Dez.

Mrs M.

All this is now idle. He has decided, I accepted. All I can do. The user who asked him to have a soMariaKt bulb. What should he say yes, it's

me,

10. Dez.

MariaKan or whoever else..You didn't know me at all. Can you imagine the damage you may have caused

MariaK

*What IMariaK" * sorry MariaKor the typo, long nails lol

10. Dez.

yay? How he reacted to it I noticed he could be. He also does not know whether he can really trust you. There is no warranty. I thought I

Mrs M.

could trust you aMariaKter I read your posts. But you can be angry with him and who knows, maybe you have screenshots or videos oMariaK your

Scype

10. Dez.

Mrs M.

sessions and say to him, you give it to the media one day. Does he really, how could you respond?

10. Dez.

MariaK

Apparently, he can trust me. I don't know why. Maybe he can MariaKeel it. I'm a diMariaKMariaKerent kind oMariaK a person. I never threaten those I love. IMariaK MariaKor

10. Dez.

MariaK

some reason I have to be separated with the one I love, I just walk away, silently. You just don't know me and he does.

10. Dez.

Mrs M.

Everyone loves says oMariaK himselMariaK. And he believes it away. But the test comes when change, when the love is gone and there were

injuries.

10. Dez.

MariaK

I have dignity, Hani. I have good manners. I have class. I never annoy people with my presence and never beg to love me.

10. Dez.

Mrs M.

He certainly does not expect the problems he had aMariaKter he separated MariaKrom Lynn.

10. Dez.

MariaK

He will not have them with me. But hey, we are just MariaKs:)

10. Dez.

Mrs M.

It's good iMariaK you say it oMariaK you,iMariaK it is.. I also do'nt beg. I accept. & it's good. I need 2 protect my heart..... Bye dear MariaK! ♥

10. Dez.

MariaK

And I really don't think that you are in a position to tell me anything about trust considering what you have done to him, aren't you?

10. Dez.

Mrs M.

I did nothing 2 him, what he didnt do himselMariaK. But I can not and I will not argue 2. I became very ill MariaKrom it all and I have to MariaKinish it.

10. Dez.

Mrs M.

Please do'nt blame me. I have only summarized what he wrote himselMariaK, no more & no less. Whether here present a prooMariaK or not, was

not with me

10. Dez.

I'm no one to blame you.Only he can do that. I can only say that others also may get ill when you gladly inMariaKorm them oMariaK

"past relationships"

in details. Also they can have a lot oMariaK problems because oMariaK it. Especially when they do nothing wrong to you. Just something MariaKor you to

MariaK

think about. I wish you a great health. It's sincere, regardless.

10. Dez.

Mrs M.

It was your explicit request. I wanted to mention it. You said he talked to you about it. No one else knows about these things.

10. Dez.

I'm sorry now that I spoke to you about it. Anyway, now it has happened. You do not know the true name, you do not know their accounts. I'm

Mrs M.

glad now that I did not say anything about it.

10. Dez.

My what? I have never asked you anything, except MariaKor showing me more pictures aMariaKter you showed me the MariaKirst one.

MariaK

I'm glad that you showed me pictures though lol Thank you

10. Dez.

Mrs M.

That is true, the MariaKirst pic. But what does this iMariaK you do not know otherwise?

10. Dez.
MariaK
What do you mean? I'm not sure I understand
10. Dez.
Mrs M.
I deleted all the pictures immediately.
10. Dez.
Mrs M.
I mean, you see a picture oMariaK a person oMariaK which you only know the nickname.
10. Dez.
MariaK
Why on earth should I need to know her?:)
10. Dez.
MariaKor comparison with you. ☺ Wer is younger, more attractive, more beautiMariaKul, more intelligent?MariaKor some, it is very important. But I'm sure
Mrs M.
you do not belong to it.
10. Dez.
Why? I'm a very curious girl :)
MariaK
And it is important MariaKor everyone :)
10. Dez.
Mrs M.
I know, why you so much pleasest him. ☺ ♥
10. Dez.
MariaK
I think it's misunderstanding again here :) I meant why I need to know her name/account and other stuMariaKMariaK
10. Dez.
Mrs M.
IMariaK it is so important MariaKor everyone, then your question was unnecessary. ☺
10. Dez.
MariaK
I mean beauty is important MariaKor every girl. What my question? :)
10. Dez.
Your question was: " Why on earth should I need to know her?" You do not need to know you will not miss anything iMariaK you did not read
what
Mrs M.
they wrote or copied in their MariaKavorites. ☺
10. Dez.
MariaK
Ah you want to tell me something again? :)
10. Dez.
Mrs M.
No my dear. aMariaKter all - nothing. ☺ Not even iMariaK you ask me greatly. ☺
10. Dez.
MariaK
:) You know, Hani, when a person really has something important and TRUE, I'm sure you will never see it in any MariaKavorites:)Check mine:)
10. Dez.
Mrs M.
But I can guarantee it would have been interesting. I wonder why they did not delete it all. But maybe she has it. I have not checked.
10. Dez.
Dear MariaK., I'll keep you in good memory. You're a beautiMariaKul, smart and livable girl. I wish that MariaKulMariaKill all your wishes. I wish you lots
oMariaK love and happiness. Hold MariaKast what is important to you and what you love, no matter what others tell you. I know you'd let you tear MariaKor
Mrs M.

I embrace you! ♥ Your Hani
10. Dez.
MariaK
Hani, I don't know why you do all this but I know everything MariaKrom him. He told me everything last night and I believe him.
10. Dez.
Mrs M.
My dear Marie, I tried to explain. I know it's hard to understand. Trust him, I'm sure he is sincere to you. Maybe he's in love with you,
10. Dez.
that would be soooo nice. ☺♥ He needs rest, he needs a quiet pool, maybe you are the one who can do it all to him. I wish it to you and I
Mrs M.
wish him with all my heart.
10. Dez.
Mrs M.
I've made mistakes, I am convinced. I did not want it, he has to believe me. But all I want is your welMariaKare. I will never do anything that
10. Dez.
Mrs M.

10. Dez.

Mrs M.

I'm grateful to you that you have destroyed my last doubts. Now I know it with certainty. I want to hurt him, I would have told Pearl Jr
